Do you or someone you know have Rheumatoid Arthritis?

We are seeking volunteers for a clinical research trial studying the safety, tolerability and effectiveness of an investigational medication in combination with Methotrexate in individuals who are 18 years of age or older who have rheumatoid arthritis

Qualified participants will receive at no cost:

- Study medication or placebo
- Study-related health tests
- Study-related care from a board certified physician

No health insurance or referrals required

Qualified participants may be reimbursed for study-related time and travel
