DIRECT CARE PERSONNEL

Competitive starting hourly wages (\$17/hr.) Now offering 401K Retirement Plan

All shifts available, weekends a must. Health, dental and optical insurance. This position will provide support to ID/DD individuals in a community based residential program. **Restraint/Restriction Free Agency.**

Our Commitment

Our agency currently supports 32 individuals in community living arrangements throughout Clarion, Armstrong, Indiana, Clearfield and Jefferson counties. Additionally, we have provided both planned and emergency respite services for many individuals and counties throughout the state. The home counties of the people we serve include, but are not limited to, Indiana, Clearfield, Jefferson, Clarion, Forest and Mercer.

Our approach to supporting people is rooted in building relationships and creating environments where people can feel heard, respected, safe and behavior is understood as communication, not a problem to be modified or extinguished. Through the belief and application of this philosophy and approach, the people we serve through New Light are, and will continue to be free from restraints and restrictive procedures. They will be unconditionally supported in their homes with dignity, respect and love.

This our commitment at New Light.
