**WE ARE A FAMILY OWNED AND OPERATED MAJOR APPLIANCE RETAILER,
SERVING THIS COMMUNITY FOR OVER 30 YEARS**

**We are proud to offer appliances from some of the best manufacturers around the world.
Our commitment to the community is driven by a deep passion to see Elk County
and the surrounding areas flourish and enhance future generations.**

- Our store offers a wide range of quality appliances. We strive to provide a large selection of in-store stock to purchase the same day or sit down and have individual attention in customizing your full kitchen.
- Our warehouse, located in Pittsburgh, PA provides 450,000 sq. ft of product to choose from.
- Our trained staff has a customer centric focus to provide all our customers with the care and direction they need.
- We are a self-service dealer staffed with a full-time service technician and a full-time service advisor to provide both in and out of warranty needs. Using only OEM parts, the way the manufacturer intended it to be done.
- We have professionally trained delivery & installation personnel that put the utmost care into every home installation.
- We offer removal and disposal of your old appliances, if needed.
