

About us:

The Barn at Rayne Run is a family owned and operated venue that offers personalized service to our couples.

The Barn is a 100+ year old structure that has been transformed to provide a rustic and elegant countryside setting.

Located in rural Indiana County, we are easily accessible from routes 119, 286 and 403.

Receptions held at The Barn are complimented by accent lighting, an outdoor cocktail area, a grainery transformed into an indoor bar, an upper level attached roofed deck, a picturesque bridge that spans a stream, and a wooded area that provides a perfect backdrop for photos.

"Beautiful venue for any event, especially weddings. Lovely grassy area with arbor, creekside seating... and the barn, just beautiful.

The owners are great to work with and so helpful, answering questions and helping all weekend long."
