**Let us know how we
can help you live your
best independent life!**

Hello, Ray here wanting to let you know more about what LIFT can do for you...

LIFT functions as a non-profit in Cameron, Clearfield, Elk, Jefferson McKean and Potter counties, providing help for all individuals from children to seniors through the services listed below, at no cost or obligation to you.

LIFT also provides support through Assistive Technology programs involving loans on equipment/software to help improve independence, and a ReUse Equipment program for which we take in gently-used equipment such as wheelchairs, walkers, shower benches and such, to redistribute to those in need.

Current LIFT consumers receive assistance in all corners of our six counties. "Kitty" from Kersey comments favorably about the regular support a LIFT representative provides in helping with household expenses and bill paying. "They're a Godsend and helpful on every visit." "Sally Jo" from Bradford shares "I called LIFT about a mechanical lift device to get in and out of bed and the bath. The next day they showed up at the doorstep with exactly what I needed!"; and "Juanita" in Clearfield shared that "LIFT provided a mechanical scooter for me to use as I have trouble getting around town to run errands."

LIFT is proud to serve those in need, please contact us today to help you live more independently!
