A collection of gardening supplies is arranged on a rustic wooden surface. In the foreground, there is a bright pink watering can with a perforated spout. To its right is a pink planter containing blue flowers. Behind it, a black shovel is visible. In front of the shovel is a terracotta pot with purple and yellow flowers. To the right of the terracotta pot is a cardboard seedling tray with a small green plant. In the foreground, two onion bulbs are placed on the wooden surface. The background is a wooden wall.
