

Introducing our **Newest Neurosurgeon**

Now Welcoming New Patients in Williamsport With Neck and Back Pain.

Hudin Jackson, MD

Hudin Jackson, MD, earned her medical degree from the University of Connecticut School of Medicine. She then completed an enrolled spine fellowship and neurosurgery residency, both at Baylor College of Medicine in Houston. She offers traditional spine surgery and minimally invasive surgical options for complex spine conditions like degenerative disc disease, spinal stenosis, fractures, and more. In addition to neurosurgery, Dr. Jackson has an interest in health equity — a state in which everyone has a fair, just opportunity to attain their highest level of health.

Dr. Jackson welcomes new patients at UPMC Williamsport.

To schedule an appointment, please call 570-321-2820.
