The book of Daniel is set in the heart of a hostile, pagan empire. Yet four Hebrew men found a way to honor God, and in doing so, participated in miraculous displays of God's glory. This 8-session study can help men develop the godly courage, convictions, and habits found in Daniel. Perhaps God will use our faithfulness to demonstrate His glory in today's Babylon.

To make a difference, you have to be different.

Join us to develop the godly courage, convictions, and habits demonstrated by four men in the book of Daniel.

Ever wonder if you are the only guy that has real struggles in life?

If so, come and join us at IBC Iron Sharpens Iron Men's Group.

A place where you can get to know other men who have struggled with or are struggling with the same issues you are!

You will find a group of men willing to accept you just as you are!
