

GTP

EMPLOYEE OF THE MONTH

We are pleased to announce
KENDALL TAYLOR
as our October 2026 Employee of the Month!

Kendall E. Taylor has been selected as the October 2026 Employee of the Month by the Rewards and Recognition Committee. Kendall has been a newer edition to the GTP workforce-- she began her career just over a year ago and has made quite an impression in that timespan. Kendall is currently a Materials Assistant in the Warehouse. She interacts with various departments within the plant and does so with patience, understanding, and a commendable level of customer service.

In Kendall's position it is vital to ensure that shipments are prepared safely and are delivered within a prompt deadline. She goes above and beyond to operate within those parameters and pays extra attention to the details involved. Additionally, she is an excellent communicator that keeps in touch with applicable departments to prevent confusion and supports general awareness of any changes, discrepancies, or challenges in the shipping process. Kendall resides in the Troy area currently with her husband of five years, David. She has two dogs named Megan and Annabelle and she is happiest when she is spending time with them and the rest of her family. In her spare time, she likes to paint, play cornhole, and watch her niece play volleyball. She loves coming to work each day to work alongside her great coworkers and meeting new people, especially drivers that happen to have their dogs with them!

Congratulations and thank you for the great work that you do each day, Kendall
