

Mulch season is just around the corner.....*hopefully*...and we offer a wide range of mulch products.

Looking for all natural, we have natural bark mulch both double ground and unground, mixed hardwood and hemlock, as well as natural chips, like for the playgrounds.

Looking for colored mulch, we offer colored chip mulch in 3 colors and coming this Spring, color enhanced bark mulch, in 2 colors.

We make all of our mulch products here, ourselves.
Yes, even the colored products.

So keep us in mind, and give us a call for further information.

Yes, local delivery is available.
