

Cargill Celebrates Safe to Start Week

From October 26-30, employees came together to celebrate Safe to Start Week, a reflection of Cargill's ongoing commitment to protecting what matters most: our people, products, environment, and the communities where we live and operate.

The theme, "Safe to Start," emphasizes not only preventing harm, but proactively creating safer workplaces where every employee is empowered to take ownership of safety and make a positive impact every day.

Throughout the week, departments including FSQR, HVAC/Utilities, Safety, Human Resources, and Health Services each hosted activities focused on safety awareness, engagement, and education. Employees participated in a variety of interactive activities and had opportunities to win prizes while reinforcing the importance of a strong safety culture.

The week concluded with a spirited Pie-in-the-Face event, bringing employees together for fun while supporting an important cause. Proceeds from the event were donated to the American Cancer Society, making the celebration not only a success for workplace safety, but also for giving back to the community.

Spinach Beef Soup

Prep/Total Time:
30 minutes
Yield:
8 servings (about 2-1/2 quarts)

1 pound ground beef
3 garlic cloves, minced
2 cartons (32 ounces each) reduced-sodium beef broth
2 cans (14-1/2 ounces each) diced tomatoes with green pepper, celery and onion, undrained
1 teaspoon dried basil
1/2 teaspoon pepper
1/2 teaspoon dried oregano
1/4 teaspoon salt
3 cups uncooked bow tie pasta
4 cups fresh spinach, coarsely chopped
Grated Parmesan cheese, optional

In a 6-qt. stockpot, cook beef and garlic over medium heat until meat is no longer pink, 6-8 minutes, breaking beef into crumbles; drain. Stir in broth, tomatoes and seasonings; bring to a boil. Stir in pasta; return to a boil. Cook, uncovered, until pasta is tender, 7-9 minutes.

Stir in spinach until wilted. Sprinkle servings with cheese as desired.
