

The DUNN GROUP has experienced stability and significant growth since its founding in 1933.

HENRY E. DUNN

graduated from Penn State University with a degree in Electrical Engineering. However, due to the economic hardships of the Great Depression, employment opportunities in his field were scarce, leading him to begin a career in the insurance business. His professional journey was interrupted by World War II, during which he served overseas with General George Patton's Third Army. Mr. Dunn took part in the historic Battle of the Bulge and was honored by the French Government with the Medaille de Verdun for his service with the 8th Armored Group at Verdun in September 1944. He was wounded in action at Dillingen, Germany, and received the Purple Heart in recognition of his sacrifice. In addition, he earned several other commendations for his bravery and service, including the Bronze Star, the Good Conduct Medal, the European-African-Middle Eastern Campaign Medal with four Bronze Service Stars, the WWII Victory Medal, the Honorable Service Lapel Button, and the Sharpshooter Badge with Rifle Bar.

Following the war, Mr. Dunn returned to his business career and quickly established himself as an outstanding figure in the community. He dedicated much of his time not only to the success of his business but also to serving on numerous organizational boards, civic groups, and community associations. Through his integrity, leadership, and commitment to service, Henry E. Dunn built a highly respected social, economic, and business reputation. His dedication to excellence and community involvement became defining traits that he passed on to his family, who continue to honor and build upon his legacy to this day.
