BRIEF BIO: I am a dedicated community member, and believe every child deserves a strong, safe, quality public education. I have 36 years financial industry experience and bring strong problem solving skills and a cooperative approach to decision making.
WHY ARE YOU RUNNING FOR THIS OFFICE? I understand the importance of quality education, local decision making, and responsible use of taxpayer dollars. I believe in fiscal stewardship, transparent dialogue with families and our community, effective solutions, and putting students first.
WHAT EXPERIENCE DO YOU HAVE THAT WILL ASSIST YOU IN THE DUTIES OF THIS OFFICE? My 36 years of experience in the financial industry will definitely be of benefit in this office. For the last 16 years I have worked for a not for profit and accountable for the budget preparation and execution the last 7 years. I am a parent of two children that attended BCS from kindergarten to graduation. I also served previously on the school board and have an in depth understanding of school board policies, our school system, the budget, and county government.
IF ELECTED, WHAT WOULD YOUR TOP TWO PRIORITIES BE? My first priority is to

ensure all students receive an education that prepares them for college, careers, and to be a contributing member of our community in adulthood. I am focused on student achievement, supporting teachers and staff, maintaining a safe, welcoming learning environment for all students.

My second priority is fiscal responsibility and being a good steward of our taxpayer dollars. I want to make sure we maximize value for investment. Our investments always need to be student centered. We need to evaluate and invest in curriculum, educational resources, instructional tools, and facility repairs/improvements.

WHY SHOULD VOTERS ELECT YOU? Simply, I am not a politician; I am a mom who loves our children. I want to ensure that our children receive the best education possible while attending Blount County Schools. I want to ensure our students have all the resources and tools needed to graduate college and career ready!

As a parent of two children that graduated BCS, I am very proud of the education my children received! The educational foundation they received as BCS students contributed to their success in college and graduate school.

I am vested in Blount County having lived and worked here for over 35 years. I take the role of school board member seriously. I attend all meetings, actively participate/engage in meetings, complete research before the meetings, seek input and perspective from our teachers and staff, seek input from my constituents, and make informed decisions that are student centered.
