SHIPPING:

BCS Shipping is an approved shipper for UPS and FedEx in **College Station**. We pride ourselves on fast, professional packing and shipping services.

PROFESSIONAL PACKING SERVICES:

We stock over 50 sizes and keep plenty of styrofoam peanuts, bubble-wrap, tape, specialty boxes (artwork, laptops, double-wall, etc.) and other packing materials on hand. We can even custom-make a box for those elk antlers or car bumpers.

And our *"Packed to Perfection"* guarantee gives you peace of mind to know that your items are packed to meet or exceed all carrier requirements, so if any damage or loss occurs during transit, **BCS Shipping** stands behind our packaging—we guarantee it for insurability.
