Roy Kelly Parking Garage
200 E. 27th Street, Downtown Bryan
(West End Parking Garage Office)

Veterans can park inside the garage, sheltered from the Texas sun and rain, with only a short walk to our doors.

Those using public transportation will find the bus terminal right next door - just steps away from our office.

Parking will be validated for veterans visiting the office.

Veteran Service Officer Pam Robertson shared:

"Many of the veterans we serve face disabilities and mobility challenges. This new location removes barriers and ensures every veteran can access the services they have earned with dignity." Our office has grown rapidly over the past 2 years, thanks to the trust and support of our veterans. This new space will give us the room, resources, and professional setting needed to continue serving our heroes at the highest level.

We look forward to welcoming you to our new location and continuing our mission of serving those who have so selflessly served our nation.
