general revenue fund to the Dementia Prevention and Research Fund.

The proposed amendment will appear on the ballot as follows: “The constitutional amendment providing for the establishment of the Dementia Prevention and Research Institute of Texas, establishing the Dementia Prevention and Research Fund to provide money for research on and prevention and treatment of dementia, Alzheimer’s disease, Parkinson’s disease, and related disorders in this state, and transferring to that fund \$3 billion from state general revenue.”

Proposition Number 15 (SJR 34)

SJR 34 proposes a constitutional amendment to affirm that a parent has the responsibility to nurture and protect the parent’s child and the corresponding fundamental right to exercise care, custody, and control of the parent’s child, including the right to make decisions concerning the child’s upbringing.

The proposed amendment will appear on the ballot as follows: “The constitutional amendment affirming that parents are the primary decision makers for their children.”

Proposition Number 16 (SJR 37)

SJR 37 proposes a constitutional amendment to provide that only United States citizens are allowed to vote in Texas elections.

The proposed amendment will appear on the ballot as follows: “The constitutional amendment clarifying that a voter must be a United States citizen.”

Proposition Number 17 (HJR 34)

HJR 34 proposes a constitutional amendment to allow the legislature to exempt from property taxation, in counties that border the United Mexican States, the portion of a real property’s assessed value that arose

from the installation or construction of border security infrastructure and related improvements. The proposed amendment would authorize the legislature to define “border security infrastructure” and prescribe additional eligibility requirements for the exemption.

The proposed amendment will appear on the ballot as follows: “The constitutional amendment to authorize the legislature to provide for an exemption from ad valorem taxation of the amount of the market value of real property located in a county that borders the United Mexican States that arises from the installation or construction on the property of border security infrastructure and related improvements.”
