At MRC Arbor Oaks our philosophy is that no matter how old we are or what challenges we live with, life is about continuing to grow. We fight back on thieves like loneliness, helplessness and boredom. We resolve to make every day one that confirms the seven domains of well-being through identity, growth, autonomy, security, connectedness, meaning and joy.

“A family is a group of people who care for each other and that’s what’s here. You’ll meet people who are simply amazing. Home alone is not the place to be—it really is not. Moving in here has verified that for me many, many times.”

At Comfort Keepers we're all about Elevating the Human Spirit.

We offer in home care and it's how we go about it that makes us different.

In our 20's, 30's, 40's, 50's and 60s we all want the same things - connectedness, love, purpose, hope and joy. And that doesn't change just because we're 70 or 80.

Our caregivers are trained in daily doses of joy. We believe in Interactive Caregiving and we help our clients connect with themselves, with others and with the outside world. When we lift people's spirits we know they feel better and live better.

"Steve's prompt, clear, helpful communication, as well as his honesty and effectiveness led me to recommend him to a friend and repeat my business with him. His quality realtor work helping me buy my house led me to call Steve years later to sell my house. (My friend likewise repeated business with Steve by buying and selling.) Steve used our time well, understood the process, and got things done in a timely manner. 5 stars."
