

**Jules Marie, or “Ju Ju”,
died on July 15th, 2026.**

A shelter dog, she possessed a remarkably calm and good-natured spirit. Famously, upon finding a baby bird that had fallen from its tree, she brought it home so that it could be returned to its nest. Despite this sweet nature, she was a prolific hunter of rabbits. A lover of food and family, she could always be found near the kitchen. She left an indelible mark on us all.

*“Be thou comforted, little dog; thou too in the
Resurrection shall have a golden tail”*
