

Dolly Coonfare is 100!

Happy Birthday to our exceptional grandma,
who was born on June 30th, 1926.

We have been so lucky to learn life's most
important lessons from this extraordinary
woman. She has taught us both to work hard,
enjoy nature and the outdoors, and appreciate
a good book. Today, she can be found winning a
blackout in bingo, enjoying visits with friends and
family, and participating in activities with her
neighbors. We love you, Grandma!
