

Thank you

Ron and Linda would like to thank the doctors and staff at CHI Heart Institute of Lincoln and the CHI Hospital of Kearney, Ne., for the wonderful care that Ron received after his amputation. Also thanks to the community of Comstock for the welcome home sign, and our church family, as well as both of our families, for all the prayers, phone calls, cards, and visits while Ron was hospitalized and recovering at home. Your continued prayers and support are deeply appreciated as we face this new journey.

May God Bless you all

Sincerely
Ron and Linda Schweitzer
