

Relax, Enjoy & Get More *From* Every Day

Locally owned Prairie Winds is nestled in a small town with a feeling of family and country living. We love that we can walk outside and watch harvest taking place or local teams practicing sports. In addition, we love our community volunteers who embrace our family with their time and talents.

We train our team of caregivers to fit the needs of each Prairie Winds family member while creating a feeling of belonging. We want our family to feel safe and their needs met.
