

Grand Island VA Western Nebraska - Iowa Medical Center

would like to **THANK** the following grade schools, preschools, day care and families for all the beautiful cards, coloring sheets and handwritten notes for our veterans on Veterans Day.

We were able distribute around a thousand pieces of art to veterans in local nursing homes, at the Veterans Appreciation Breakfast at the United Veterans Club and the Grand Island Veterans Affairs Medical Center.

They got a kick out of seeing them and really appreciate being thought of. Those taking part include *Centura, Engelman, Gates, Knick-reham, Lincoln, Stolley Park, Trinity Lutheran, Wasmer and West Lawn schools; Third City Christian Preschool; Cherry Park Creative Corner Day Care; and families Romero-Jimenez and Cheryl Doudney .*
