The Honorable Megan Hunt
Nebraska Legislature, State Capitol Building Room 2107
Lincoln, NE 68508

Dear Senator Megan Hunt,

The announcement to convert the Work Ethic Camp into a federal detention facility has resulted in several questions by members of the Legislature which would be most efficiently and effectively addressed through direct communication with the executive branch and attorney general's office. The Judiciary Committee has no more extraordinary authority than any individual senator, or group of senators, to seek answers to the questions posed in the letter dated August 27, 2025. I would advise sending the list of questions directly to the executive branch and attorney general's office, which would likely result in a faster response than that which is required to schedule a hearing. Up to this point the executive branch has been responsive to questions from the legislature and a public hearing is premature.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn Bosn". The signature is written in dark ink and is positioned above the printed name of the senator.
