Richardson and Joyner Retire From Fair Board

**BETH
CHANDLER**

Newsroom Coordinator

After many years, the Meade County Fair board has bid a fond farewell to two of its members following the 2018 fair season.

Sue Richardson had been a Fair Board member for 25 years before announcing her retirement at the beginning of 2019 during the annual Meade County Fair Board Superintendent's Banquet on February 26.

"It's been a great 25 years," Richardson said after accepting a memorial clock. "Mission accomplished! Retiring means David is the oldest member on the Fair Board now!" Richardson joked.

"I'm looking forward to

being able to enjoy the fair as a grandma this year. Maybe I'll actually get to watch a truck pull!"

Attendees to the banquet dinner were also informed of the retirement of Fair Board member Mayor Ronnie Joyner, who sat on the board for 30 years and took over the truck pull with Fair Board President David Pace in 1982.

"Red Dog 5, signing off," Pace said at the banquet, citing the 'handle' used by Joyner during his days with the board.

"[Those were the] best years of my life, I loved every minute of it," Joyner said of his time on the Fair Board. "David and I started doing the truck pull together. Next thing you know, boom! Ev-

everything started falling into place. We watched it grow from a little fair into the big one it is now."

Both Richardson and Joyner undoubtedly helped

make the Meade County Fair one of the best in the state for decades through their tireless hard work and dedication. So, if you see them, be sure to say 'thank you.'

BLIND DRAW - if uneven number of people have signed up, after 15 min. and no one else signs up money will be returned.

1. Check-in 5:30 - 6:30 p.m. located at the Meade County Farm Bureau Building. Tournament starts at 7 p.m. until finished.
2. Must be 18 years old or older to participate.
3. The two boards will be 27 feet apart from the front of one board to the front of the other board.
4. Each team will use 4 bags of the same color.
5. Teammates stand across from each other and use the same color bags.
6. All bags should begin at same side of board and with each player rotating each throw.
7. All players must throw from behind Foul Line or Throw Will Not Count! Superintendents will be watching players.
8. Game continues by alternating throws between the two opponent players until all 8 bags have been thrown.
9. The team who wins the round will throw first in the next round.

SCORING

1. 1 point for a bag on the board.
2. 3 points for a bag in the hole.
3. 0 points for a bag that lands off the board.
4. If a bag hits the ground then bounces up onto the board then that bag should be taken off the playing surface before any more bags are thrown.
5. The points cancel each other out. Example: If Team A gets 2 bags on the board and 1 bag in the hole (5 points) and Team B gets 3 bags on the board and 1 bag in the hole (6 points) Team B would get 1 point.
6. The game continues until one team reaches 21 points. A time limit may be imposed due to the number of entries.

Fair Board Member Andrew Ford

**BETH
CHANDLER**

Newsroom Coordinator

New to the Meade County Fair Board in 2019 is Andrew Ford. Ford is the son of Charlotte and Rodney Ford and has been a Meade County native his whole life. Ford is married to wife Kennetha Ford and has one son, Drew. He is also the owner-operator of Ford's Lawn Service LLC here in Brandenburg.

Ford began attending the Meade County Fair when he was a child with his father, a former deputy sheriff.

"As I got older," Ford said, "I started participating in the fair by driving the tow tractors, and helping out more every year."

For the past three years,

Ford has helped in the pit house during the truck and tractor pulls and eventually took over as coordinator. For the last four years, Ford has also volunteered to help with post-fair clean-up.

What many people in the community don't know, Ford said, was that the entire fair board, and all the workers who make the fair such a success, do so entirely on a volunteer basis.

"We take a lot of time out of our own jobs and personal life to provide something for the whole community," Ford explained. "We use our personal time and equipment for the fair. And it requires a lot of support from your family, too. My wife and son have both gotten involved. If you don't have a family that will support you and get behind

you, [fair board member] is not the position for you."

Ford has been fortunate, he said, to have been able to work closely with the board in the past.

"I knew what I was getting into," he said. "But I've been surprised by the year-round planning the board does for the fair, and I'm not surprised by much as a business owner."

When not busy working at either his own business or with the fair board, Ford enjoys going on getaways with his family and attending tractor pulls.

"I just want to thank the fair board for allowing me this opportunity," Ford said. "I look forward to this year's fair and all the fairs to come. Be sure to come out and show your support!"

Andrew Ford is one of two new faces sitting on the Meade County Fair Board this year.

Fair Board Member Lance Padgett

**BETH
CHANDLER**

Newsroom Coordinator

Being welcomed to the Meade County Fair Board for the 2019 fair season is Lance Padgett.

Padgett has been a native Meade Countian his whole life. He works as a senior engineer construction manager with Windstream Communications and is a member of St. Mary Magdalen of Pazzi Church in Payneville.

Padgett has attended the Meade County Fair for many years before coming on to the board.

"I've known a few of the fair board members for years and have interacted with them throughout the community for many years,"

Padgett said. "One of the fair board members contacted me and, after a few conversations and a face-to-face meeting with the fair board, I was one of two [new members] selected."

What many people in the community don't know, Padgett said, is the amount of time and energy it takes to plan, coordinate, and implement a successful fair year after year.

"The fair is only a week long," Padgett said, "but a years' worth of work is required for it all to come together."

"It's strictly a volunteer position that folks choose to be a part of to help ensure their family and friends will continue to enjoy the fair for the years to come," Padgett

explained about the efforts of the all-volunteer board.

When asked what advice he would give someone interested in a position on the fair board, Padgett said "Go for it! The fair board is made up of hardworking ladies and gentleman that work closely with many folds to help provide the community with the best county fair in the state, and I am glad to be a part of it."

When not focusing on fair board business, Padgett enjoys spending time with family and friends.

"Anything outdoors is a plus!" Padgett said.

Padgett would like to thank his wife for always supporting him.

"[I] also want to thank the fair board and their families for welcoming Sarah, Ava,

Lance Padgett is one of the two new additions to the Meade County Fair Board for the 2019 season.

and I to the family — we are all looking forward to making great memories together! Last, but not least, all the sponsors, vendors, fair board members, superintendents, volunteers, and participants throughout the years that have the fair what it is today!"

Fair Person of the Year Award Goes Five Ways

BETH CHANDLER

Newsroom Coordinator

Every year, the Meade County Fair Board awards a Fair Person of the Year Award to an individual who has volunteered their time during the Meade County Fair. The only requirement is that the recipient of the award can't be a Fair Board Member.

This year, the Board couldn't decide on just one outstanding volunteer and decided to break from tradition and hand out two awards.

The Billy Sipes Family and Grant Wiles were those honored.

Both Billy Sipes, the third district magistrate, and Grant Wiles, who works for Brandenburg Telecommunications, are lifelong Meade Countians. The Sipes family got involved with the fair because the children show swine and, wanting to ensure the new barn was ready in time, helped with clean-up and finishing touches last year. Wiles has volunteered with post-event clean-up and other odd jobs for over a decade.

Both wanted to thank the Fair Board for their nominations and hard work, their families, and everyone who helps make the Meade County Fair one of the best in the state.

In an unusual turn of events, the Fair Board not only handed out two Fair Person of the Year Awards, due to a tie. One of those recipients was the Billy Sipes Family (son, Will; father, Billy; daughter, Malley; and mother, Melody), rather than a single individual. The other recipient was Grant Wiles (right).

DEFINITION OF CATEGORIES FOR STATE FAIR COMPETITION

Vocal: Shall consist of a performance by a vocalist(s). An instrumental accompaniment by the performer or others is allowed, but must assume the pure character of an accompaniment. The test shall be whether the performance would stand alone if accompaniment was removed. No voice, voices, record or tape with vocal utterance may be used for accompaniment. This includes recorded live voices and voices that are produced and recorded synthetically (i.e. synthesizers or digitally sampled).

Instrumental Solo or Band: Shall consist of a solo instrumental performance without vocal utterance or a band. In instrumental solo, the only accompaniment allowed is a live or taped acoustical piano. If the instrument is piano, no accompaniment is allowed. In the use of electronic keyboard, the contestant must create all sound live.

Dance Solo and Ensemble Categories: Shall consist of a performance by a dancer or dancers. Accompanists are permitted, but must not assume visual importance. Acrobatics or gymnastics will be judged in another category. Vocal performance will not be judged.

Acrobatic/Gymnastic Solo or Group: Shall consist of a solo or group performance. At least one-third of the performance must be acrobatics or gymnastics, but no more than two-thirds should be acrobatic or gymnastic movements. This should be a choreographed performance.

Variety: Shall consist of a performance by one or more persons. This category is intended to provide a proper showcase for those acts not listed in any other category, ex.: ventriloquist, juggler, comedian. (A vocalist or vocal group accompanying themselves would not normally meet this test.) Assignment to this category is at the discretion of the State Fair. Performers who fit the description of another category may not appear in the Variety category.

At least one-third of the performance must be song and at least one-third must be a style of dance. 5. Bidder must hold all count cards (5, 10, 14) in his hand. If unable to discard without discarding a count card, the PENALTY is 100 points up for the opposing team and 100 points down for the bidder.
6. Bidder must turn four discards down when ready to play unless discarding trumps which must be turned face up. PENALTY is automatic set: opponents get what they make.
7. In the event of a misdeal, (dealing too many cards to any one player and after any player has looked at his cards), the dealer must deal again. No redeal due to the value of the cards.
8. The player sitting to the left of the bidder makes the first lead.
9. In the event of a player reneging (not following suit when he does have a card of the color led) if the play can be straightened out before the next play with no harm to either side, no penalty applies.
10. If either team reneges, the PENALTY is 100 points up for the opposing team and 100 points back for the team that reneged.
11. All tricks should be stacked separately; therefore, if either team is accused of reneging, the cards played to that point are set aside (no looking at this time). The hand is played out. The cards in question are taken off the stack one trick at a time and looked at by all players concerned. If a renege did occur, the penalty in # 10 applies.
12. Cheating in any form – bidding out of turn, signals, bottom dealing, talking (that's my trick, throw on, etc.) or anything to harm the opponents PENALTY is loss of game.
13. If both teams reach 300 or more in the same hand, the bidding team wins.
14. No looking at caught tricks after the first card of the next play is made.
15. No person other than the four players at the table may touch the cards.
16. Playing out of turn by showing one's cards (ex. your partner catches a trick, but his or her partner leads or a player thinks he has the rest of the tricks and throws his cards down on the table). PENALTY: Loss of 100 points, opponents up 100.
17. When playing with a color and bid number board, the bid is to be made by pointing to the bid amount with the bidder's finger, not the color block. Color blocks are not to be touched until the bidder calls his trumps.
18. Teams, win or lose, must change tables after each game.

2. All boxes must have Plexiglas cover that can be easily removed for judging.

3. EACH exhibit must be secured with a lock. Attach a key to box with your name and county firmly attached to key. Key will be returned. Keep another key in case Fair key is misplaced.

4. Hinges and Locks: Make flush or mount on sides or top of boxes so boxes will sit level.

5. Fabric: If fabric is used, use a fabric glue to adhere entire piece of fabric to box. Suggested fabrics are felt or velveteen.

6. Rocks, Minerals, and Fossils: Should be firmly attached to the box, and should be numbered to correspond with the number on the Geology Identification Labels. See Rule 8 for label information.

7. Boxes will be displayed on their side, not flat. Therefore, larger specimens must be attached near the lower portion of the box.

8. Rock, Mineral and Fossil Identification Labels are available from the Extension Office or KY Geological Survey website <http://uky.edu/KGS/education/4H.htm>. These are the only labels acceptable.

9. Exhibits will be disqualified for class champion if:

- Box does not fit in the size stated in rule 5
- Box contains too few or too many specimens
- Box does not have a Plexiglas cover that can be opened
- Labels not correctly filled out.
- Specimen is mounted jewelry
- Specimen is mounted and polished
- Specimen and label are not numbered
- Specimens are not arranged in numerical order
- Duplicate specimens are used to reach minimum number. However, varieties of the same rock or mineral are acceptable if the specimen is identified by a different name (i.e., quartz, smoky quartz, amethyst, agate, chert, flint or calcite, Iceland spar, aragonite, travertine). Also acceptable if the duplicate specimen has an adjective in front of the specimen (i.e., calcite, red calcite, or limestone, fossiliferous limestone, oolitic limestone). If each entry in that class has duplicate

named specimens, then each entry may qualify for class champion, but will not be eligible for grand champion.

10. The following score card will be used to judge geology exhibits:

a. Correct identification and labeling - 5 points for each specimen (Collections will be judged more favorably that have different types of specimens, rather than many different varieties of the same rock, mineral, or fossil; i.e., gray limestone, light gray limestone, dark gray limestone, or red calcite, blue calcite, green calcite).

b. Cards/specimen: 1 point each that each specimen has the label completely filled

out, along with specimen number,

c. Found on site: Since this is an exercise in becoming familiar with rocks, minerals, and fossils, an extra 1 point will be given for specimens that are found rather than

purchased or given as gifts. (Be sure to ask permission if you have to enter private

property. The Internet is a good place to search for rock clubs and geological

surveys of your and other states for information on collecting localities.

d. Neatness, arrangements, background - 20 points for total exhibit

11. 4-H'ers entering fifth year and up cannot enter the same exhibit that has been judged in any previous State Fair.

Classes Are:

For each of the classes, specimens may consist of rocks, minerals, and or fossils. There is a separate label for rocks, minerals, and or fossils (three different labels). Label and label instructions are available at the Kentucky Geological Survey website at <http://www.uky.edu/KGS/education/4H.htm>.

DIVISION 14 - 4-H ENTOMOLOGY

1. See General Rules applying to all 4-H exhibitors and 4-H exhibits other than livestock listed previously in this catalog.

2. **An exhibitor may enter only one class in**

Entomology and no more than two entries in Honey (one extracted, one chunk).

3. Specifications for pinned-insect exhibits 271, 273, 274, and 276 (see below for insect photography exhibit, 272):

a. 9" x 13" folding cardboard insect-collection boxes available through UK College of Agriculture, Department of Entomology, should be used. Homemade or purchased wooden exhibit boxes may be used instead. They must be approximately 18" x 24" and not more than 3 1/2" thick with Plexiglas or glass covers and cellotex pinning bottoms (or plastazote or polyethylene pinning bottoms available from entomology supply stores such as Bioquip.com). Boxes must be easily opened (for instance; if a screw is used to secure Plexiglas tops, use a thumbscrew fastener instead of a fastener that requires a tool).

b. Specimens are to be arranged so the box can be exhibited horizontally. 4-H'ers may attach wires to the back of wooden boxes to help make them easier to display.

c. Identification labels available from the Extension Office must be used, or custom

labels may be printed if they conform exactly to the font, font size, and font color of the official labels. Labels should be printed onto white cardstock. The exhibit identification card should be placed on the front of the box (each box). Instructions for pinning and labeling are included in your literature.

d. One half of the specimens may be from the previous year's collection or from anywhere in the United States; one half or more must be Kentucky insects collected since the last Kentucky State Fair.

e. For the first through fifth year projects, a display collection catalogue must be in an envelope attached to the back of the display box. Envelopes should be attached to permit their being opened easily to remove catalogue from them without moving the exhibit.

f. Most specimens in the display cases should be pinned, and the use of vials is discouraged. If vials are used, they may account for no more than 2% of a collection. Vials must be securely wired or pinned to the pinning bottoms.

g. The inclusion of non-insect specimens (spiders, e.g.) is encouraged, but because this is primarily an insect collection, and because non-insects do not preserve well on insect pins, points will be deducted if there are more than one specimen from each non-insect class.

4. Entomology exhibits are judged on the following categories: Orders, Species, Common Names, Labels, Condition of Specimens, Overall Appearance, Life Cycle Representation and Catalog of Specimens.

5. Exhibits will be penalized if they do not:

a. Use insect pins for pinning insects.

b. Use the 4-H Entomology identification labels.

c. Use display boxes that are not the official 9" x 13" cardboard boxes acquired through the

Dept. of Entomology, or wooden boxes that are approximately 18" x 24" x 3 1/2".

d. Fulfill the requirements of the particular exhibit under which it is entered.

e. Have the insects arranged so the box can be exhibited horizontally.

f. Have the display collection catalogue in an envelope attached to the back of the display box through fifth year project.

6. No extra credit will be given for specimens exhibited beyond the numbers listed in the current project books.

7. 4-H'ers entering fifth year cannot use the same exhibit that has been judged in any previous State Fair.

4-H Entomology exhibits will be divided into the following classes:

L-274 First year project (Up to three 9" x 13" official cardboard boxes, or up to two 18" x 24" wooden boxes, with minimum of 25 insects, maximum 50 insects, from at least four orders. Identification beyond order not necessary. All specimens must have date and locality label.)

where "#" indicates the number of the image inside the folder. Example filename: Doe- Fayette-1.jpg

d. Each image will include a 400X225 pixel (or larger if necessary), white notation box with important information about the photo. This notation field may be placed anywhere inside the image, including inside black bars (if present). Fonts may vary based on the 4-Her's software, but we recommend Ariel, 10pt, black, non-bold. The notation field will include the following information, with one space between each line:

- Identification to order is necessary for any nymphs, larvae, pupae, and adult insects in the project; common name identification is necessary for at least one-half of adult insects in the project.

- No images from the first-year insect photography may be reused for this project.

L-277 Third year project (Three 9" x 13" official cardboard boxes, or two 18" x 24" wooden boxes, with a minimum of 10 orders and 100 insects, a maximum of 150 insects.)

L-279 Fifth year project (may be repeated for successive years of eligibility but must be a different exhibit. No exhibit that has been judged in any previous State Fair may be entered.) Any type of display that pertains to experiences beyond those of previous projects. Special collections of native and/or exotic butterflies, beetles to some other insect order; a study in depth of one insect or small group of insects: a display of insect camouflage: a display of plastic embedded insects: a collection of insect larvae and nymphs are examples. Fair Survey

Once the 2019 fair is over, please take a few moments and fill out the following survey. Comments and suggestions from the public, participants and fair workers assist the Fair Board in planning the next fair. While your memories of this year's fair are fresh in your mind, "grade" your fair on a scale of one to five with one being the lowest grade and five being the highest grade.

1 = very poor, 2 = needs improvement, 3 = adequate, 4 = above average, 5 = very good.

Space is provided at the bottom of the survey for other comments and suggestions. If you have a suggestion on a new event, or how an event may be improved, or praise for a job well done – write it down in the space provided or on a separate sheet. Return the form to the fair office or to Meade County Fair Inc., P.O. Box 325, Brandenburg, KY 40108. Your input is appreciated.
