The Work Ethic Program is designed to:

- Supply Central Kentucky employers with skilled workers
- Be a filter for hiring and selecting candidates that have demonstrated knowledge, skills, abilities and commitment to work.
- Reinforce the value of positive Work Ethic and commitment to successful employment.
- Recognize a common identifiable, metric of work habits.

Meade County High School's Work Ethic Diploma certification standards:

Attendance • Office Referrals • Grade Point Average • College Ready Benchmarks and/or Career Ready Benchmarks
School Involvement and or Community Service

Work Ethic Seals are a vital part of being a Work Ready Community!

We support these graduates and all their future endeavors.
