BEST OF THE BEACH

Welcome to 2021 Best of the Beach as voted by YOU!

Who knows Lincoln County's best of the best than the people who live here?

The process starts with a ballot of categories resulting in nominations by our community voting for their favorites.

We provided several weeks of voting options both online and in a printed paper ballot and this year did not disappoint with 25 percent more ballot response than in previous year!

Votes were tabulated to determine the winners, and the results are printed in this Best of the Beach Lincoln County has to offer. We also list the top favorites you shouldn't overlook!

This is a true People's Choice participation!

We're always impressed with the interest in these awards. It's a testament to the people who live and work in our community.

Without further ado, we are happy to congratulate this year's Best of the Beach winners.

Thank you for your votes!

Compassionate & Knowledgeable Care

"One thing that sets Summit apart from the rest is that their team members truly believe in you.

They make you believe you can do it. I love how they involve the family. They are willing to listen and work with you on whatever you need."
