WELCOME TO BEST OF THE BEACH

Who knows our communities better than the people who live here?
This is a true people's choice participation!

We begin a six-week voting process with the option of paper and digital ballots featuring 91 categories.

Each voter writes or types their favorite into the categories listed. This year we had a 42 percent increase of voters from prior year. Votes are tabulated and our Best of the Beach winners and favorites are announced.

We are always impressed with the interest in these awards. It's a testament to the passion people have for their community and local businesses.

Without further ado, we are happy to congratulate this year's Reader's Choice Best of the Beach winners.
Thank you for your votes!

Thank you Lincoln County

I recently found out I was voted Best Photographer in Lincoln County for 2022. I'm beyond honored to represent such an amazing community and to be allowed to showcase this coastline that I've called home my entire life.

This is more than about just capturing weddings or family photos or shooting real estate, its more than just getting epic views with a drone. This has always been, and will continue to be, about making the moments that matter the most timeless and sharing how I see the beauty in the world within each of you.

I am grateful that I can share it all with you; and I wanted to take the time to say thank you for believing in me when even I wasn't sure how to. I know this last year hasn't been the easiest for a lot of people, so I hope you believe me when I say it, that this show of support means more to me now than it ever possibly could. I'm blown away.

So, from the fullness of my heart, thank you. I love you all, and I can't wait to continue sharing this incredible journey.

BEST OF THE BEACH Volunteer of the Year

Thanks to everyone who voted for me for volunteer of the year. I do my best to work hard for my community every day, whether it be my role on the Parks and Recreation board or as Vice President of Kiwanis. I'm honored and humbled that my work has been recognized by the wonderful people who voted for me. When my family came to Lincoln City a few years ago and started Lincoln City Gifts we knew we wanted to give back to this community and will continue to do so.
