

**MICHIGAN MEDICINE**

UNIVERSITY OF MICHIGAN

*We invite you, your family and friends to join us and participate!*

We are Virtual with a Silent Auction, Raffles, Prizes and Direct Donations

Although we cannot gather with 500 people as we have done in the past, we will still do our part to fight this horrible disease.

This virtual event will be open to everyone and will benefit our commitment in finding a cure for Diabetes. Now more than ever families facing Diabetes need our help.

The CDC has determined people with diabetes that get COVID-19 do face a higher risk of experiencing serious complications.
