

USING COLLECTIVE IMPACT TO CHANGE LIVES IN YAVAPAI COUNTY

In 1987, United Way of Yavapai County was founded to unite people, organizations and resources in a way that would improve lives and build strong communities throughout Yavapai County.

Together, we are creating and sustaining a community where everyone has access to the building blocks for a good life:

a **quality education** that leads to a stable job

enough **income** to support a family through retirement

and resources to sustain **good health**

The power of 'Collective Impact'

How do we do it? By harnessing the power of collective impact and mobilizing communities to advance the common good. We maximize your support by combining donations and transforming them into grants for more than 30 proven local programs.

Initiatives That Promote Stronger Communities

Additionally, we serve as a catalyst and convener through these special programs and initiatives:

- The Center of Organizational Excellence, helping non profits and small businesses with workshops on leadership, DEI, grant writing, nonprofit accounting, and more.
- The Daniel H. Roberts Veterans Scholarships, providing financial assistance to veterans seeking degrees at Yavapai College or Embry Riddle
- Bringing together organizations and volunteers who are tackling some of Yavapai County's most difficult issues, such as homelessness
