

MyMountNittany is now on MyChart

Care that connects — wherever you are.

With MyMountNittany, it's easier than ever to stay engaged in your health and connected to your care team:

- Access your health information securely, anytime
- See test results, medications and visit details in one place
- Message your providers when you need support
- Request refills and schedule appointments with ease
- Complete forms before you arrive
- Receive reminders and important updates
- Manage your family's care from a single account (with proxy access)
- Keep your information current and accurate
