

PUBLIC NOTICE

INVITATION TO SUBMIT SEALED BIDS

Appalachia Service Project (ASP) is soliciting sealed bids from qualified and licensed contractors for the construction of up to three single-family replacement homes in Hancock County, Tennessee. These projects are funded through a grant administered by the Tennessee Housing Development Agency (THDA) and are contingent upon approval of a grant extension request and the availability of funding.

Bid packages containing project specifications, construction plans, scope of work, and submission requirements will be made available upon request. Interested contractors may obtain bid documents by contacting ASP at the information listed below. Please bring all sealed bids to the Hancock County Library on July 15, 2026, at 4:30pm.

For additional information or to request a bid package, please contact:
