

# LOOGOOTEE COMMUNITY SCHOOLS 2019 ANNUAL PERFORMANCE REPORT

## 2019 School Corporation Annual Performance Report (APR) General Explanations

The APR is a report on the performance of schools and school corporations (districts) in your area. The goal is to provide information regarding the progress schools are making to help students become college-and-career ready. Where possible, this report contains three years of data to show trends – not just this year’s results. In addition, the State Average is also shown for comparison purposes. There are additional indicators that are available on the Indiana Department of Education’s Web site (compass.doe.in.gov), including data broken out by different student subgroups, such as race, gender, income level and special education.

Indiana educators and citizens have developed higher academic standards for all students. These standards are necessary to prepare Indiana students to be successful in life, whether they go directly to higher education or to the workplace. The scores for ILEARN/ISTEP+ are listed under each school to reflect student progress toward those standards. For high schools, you also will see graduation rates and the percentage of graduates who plan to go on to college.

Other important data are provided, such as average attendance rates and indicators of school safety, including expulsions and suspensions. Also included is information about your school corporation, such as how much is spent, on average, for each student; how much teachers are paid; and the percentage of corporation students who are in special education classes or gifted and talented classes.

## Hoosier Uplands Services Open, Except Head Start

All Hoosier Uplands services except Head Start Centers are open and available. Clients are encouraged to call in for service when possible and outside visitors are discouraged during this time, unless a necessity on a case by case basis.

“We are cleaning offices at least twice per day and have made

arrangements for any staff who have to be off work due to this COVID 19 crisis will continue to be paid,” said David Miller, Hoosier Uplands Chief Executive Officer. “We are doing a lot of telephone checking on all clients to check on any needs they may have, and we have made arrangements to see that all Head

Start families and elderly on home delivered meals have food during this time,” he added.

Serenity Now Psychiatric and Counseling Service in Bedford is open, but clients are being screened before being seen in the clinic. Patients not needing immediate care or medication refills are being re-scheduled when possible. New patients are being accepted.

Home Health & Hospice services are in operation as usual.

Hoosier Uplands is also working with local emergency management and health departments closely.

“I am very proud of our staff, they provide some very essential services to this area and have really stepped up during this very unprecedented time,” Miller said.
