CELEBRATING LOCAL BUSINESSES
AND PROFESSIONALS IN OUR COMMUNITY!

# WE ARE PROUD TO PRESENT YOUR 2023 WINNERS!

hank you and kudos to all the readers that nominated and voted for your favorites in our annual Readers' Choice awards!
It has been, as always, an honor to play a small part in bringing recognition to the local businesses and professionals who go above and beyond the expectations of our community every day!

Southern Illinois is overflowing with local companies and businesses who work day-in and day-out to deliver the very best products and services to the people who live and work here. They exhibit hard work, creativity and perseverance, no matter the circumstances. We asked you, the community, to help us recognize your favorites and you came through in record numbers!

After submitting thousands of nominations, the community voted for their favorites among the finalists in each of over 120 categories. Those finalists received tens of thousands of votes, and we are pleased to

highlight them in this section. Those with the most votes in each category have been named the winners. It is particularly noteworthy that several businesses were recognized across multiple categories for all of the things they do and excel in!

We can't stress enough what an achievement it is not only to have been nominated, but to have received the support to be recognized in the section. It means that the people of Southern Illinois recognize all of the hard work, talent and services these businesses provide each and every day to make our community stronger!

Congratulations to all of the 2023
Readers' Choice Awards winners, and
thank you once again to everyone who
nominated and voted. Please take time to visit and
support all of the local businesses who do so much to
make Southern Illinois a better place!
