### Athletics Participation

Table 670 Table 1 - - - Athletics Participation. A participant is a student-athlete who, as of the day of a varsity team's first scheduled contest in the traditional season: (a) is listed as a team member; (b) practices with the varsity team and receives coaching from one or more varsity coaches; or (c) receives athletically-related student aid.

Any student who satisfies one or more of the criteria above is a participant, including a student on a team the institution designates or defines as junior varsity, freshman, or novice, or a student who does not play in a scheduled contest, whether for medical reasons or to preserve eligibility (i.e., a redshirt).

Student-athletes who participate in more than one sport should be counted in each sport. The Coed Teams column is marked based on the content of the sports sponsored table (Mixed Sports) in the School Info page. **Male practice players are NOT to be included as participants in this table.**

## Miscellaneous Information

**Note: These values are calculated from data entered earlier in the system.**

- Athletically Related Student Aid
- Input the total amount of athletic student-aid for the reporting year including:
- Summer school.
  - Tuition discounts and waivers (unless it is a discount or waiver available to the general student body).
  - Aid given to student-athletes who are inactive (medical reasons) or no longer eligible (exhausted eligibility).

Athletics aid awarded to non-athletes (student-managers, graduate assistants, trainers) should be reported as Expenses Not Related to Specific Teams. It is permissible to report only dollars in the Expenses Not Related to Specific Teams row as long as you have reported non- zero entries for Equivalencies, Number of Students, and Dollars (all 3 required for at least one sport).

**Note: Pell grants are provided by the government, not the institution or athletics department, and therefore should be excluded from reporting in this category.**

This information can be managed within the NCAA's Compliance Assistance (CA) software. The information entered into compliance assistance will automatically populate to the athletic student aid section within the NCAA Financial Reporting System when the CA import feature is selected.
