INCIDENT REPORT NARRATIVE

☐ Current Report
☒ Initial Report

AGENCY: Carbondale Illinois Police	ORI #: IL0390100	Date/Time On Scene: 02/13/2014 20:20:21	CASE #: C20140213057
On 03/28/2014 I, Lieutenant Goddard, received a copy of the forensic pathology report from Dr. James Jacobi, M.D., regarding Pravin Varughese. The report was provided to me by Deputy Chief Reno who had received it from Dr. Thomas Kupferer, the Jackson County Coroner. I noted that the report indicated a finding of Varughese's death to be environmental hypothermia. See attached report.

Tom,

My apologies for the too delay on PRAVE VARUGHESSE —
I apparently did not check the box for routine tox
when I ordered both salts and synthetic THC.

Strangely, it is negative except for postmortem
bacterial wine alcohol.

Death is Hypothermia. All injuries are superficial.
No reason for his bizarre behavior and hiding
in the woods.

Thanks

J
