In the instance where multiple tax parcels are indicated in this Notice, the Commissioner may elect to sell all of the parcels either in one sale, or on the sale date indicated sell each parcel individually by conducting a separate sale for each, or group various parcels together for several sales, or not conduct a sale at all on one or more parcels, as the Commissioner determines in the Commissioner's sole discretion as being most likely to sell the parcels at a price adequate to pay all taxes due, as well as fees and costs. Any party contemplating the filing of an upset bid is therefore strongly encouraged to consult the Clerk of Court records to ascertain the parcel or parcels included in the sale for which an upset bid is planned.

Upon delivery of the deed, the winning bidder shall be required to pay the costs of recordation of the deed, including deed stamp taxes due to the Register of Deeds. Title and condition of the property will be granted to the successful bidder "as is" and without warranties.
