

February 14th is Valentine's Day across the Nation.
Men, women and children express their Love by giving candy, flowers and special gifts.

This month, we want to share a special expression of our Love, reaching out to
Caregivers to say, Thank You for a job well done!

You work tirelessly day in and day out to ensure your loved one is cared and provided
for. Your work does not go unnoticed.

We challenged everyone who knows of **Caregivers**, to wish them a Happy Valentine's
Day and also to do something special for them

Thanks
