DETAILED STATEMENT OF INVESTIGATION: On 02/12/2026 at approximately 2101 hours, I, Pso II Adams, was checking the property at University Village located at 300 College Avenue when a call for shots fired was broadcast over the city dispatch radio. City dispatch advised that SC State Campus was requesting assistance from city and county units.

Upon arrival on scene, I was flagged down by several students who advised that the shooting occurred at Huggins Suites. I responded to that location and observed SC State security officers and campus police on scene. Officers were yelling for me to respond to the third floor.

I proceeded to the third floor and observed a Black male lying on the floor outside of Room [REDACTED] in a flooded hallway.

The male appeared to have sustained gunshot wounds to the [REDACTED] and the left side of his [REDACTED]. An SC State officer was attending to him.

I then entered Room [REDACTED] and observed two male subjects lying near the doorway. One of the males appeared to have sustained a gunshot wound to the [REDACTED] area. I checked the male for a pulse and observed that he was not breathing. I immediately began performing CPR until medical personnel arrived on scene.

I continued CPR until deputy sheriffs arrived and relieved me.

I briefly exited the scene to retrieve additional gloves and my medical kit; however, my medical kit was not in my vehicle. EMS arrived shortly thereafter, took over patient care, and assessed the male subject. EMS personnel checked for cardiac rhythm and advised that the subject was deceased.

After EMS assumed control of the scene, I exited the building and assisted with securing the perimeter, concluding my involvement in the incident.

DETAILED STATEMENT OF INVESTIGATION: On 02/12/2026, I, PSO C. Tyler, responded to Huguine suites at SC State in reference to shots fired on campus. Upon arrival at Dorm [REDACTED] I saw an unknown black male lying outside the door, claiming to have been shot.

As I entered the room, I saw another unknown black male lying supine on the floor with PSO Adams performing chest compressions. I checked this male for pulse with a negative result.

I then checked the second unknown black male lying behind the first male. He was breathing slowly and very shallow. I did not see any blood or obvious wounds, with the exception of blood in his mouth. With security officer Brooks holding the C-spine, the unknown male was log rolled and could not find any wounds. A deputy produced a pair of trauma shears and cut the unknown male's clothes off. One possible GSW was found on his right [REDACTED]

Once the ambulance arrived, we placed him on a e-stretcher and carried him down three flights of stairs to the stretcher. The second unknown male who was laying outside the room was placed on an E-stretcher and carried down three flights of stairs and placed on another stretcher.

I then proceeded to MUSC, as SC state had no officers to spare at that moment.

DETAILED STATEMENT OF INVESTIGATION: On Thursday 12th, 2026 at approximately 9:01p.m., I Public Safety Officer II (PSOII) Ezra Epps was checking property behind the Zimmerman Community Center, when Dispatch stated that South Carolina State University Public Safety was requesting assistance with a shooting.

Upon my arrival to Huggins Suites, I noticed that numerous emergency personnel were trying to remove students from the area, and place up crime scene tape around the building's entry/exit hallways.

When I heard on scene officers talking about needing Emergency Medical Services as close to the building as possible while standing outside on the ground, I explained to Sergeant Hampton that I would go back to the main roadway and try to direct ambulances and other law enforcement personnel to the location and make sure that no vehicles were blocking any major avenues.

When Emergency Medical Services arrived, I moved back to Huggins Suites and assisted by carrying the paramedic backpacks down to the ambulances. When all the ambulances left the scene, I returned back to the main road entrance with my patrol vehicle to help with traffic control and to provide some directions for the South Carolina Law-Enforcement Division Agents that were coming on scene.

I cleared the location at 11:59 when all remaining officers from Bravo Shift were cleared.
