**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, David McNeilly, hereinafter referred to as “Affiant,” being first duly sworn, hereby depose and state as follows:

INTRODUCTION AND AGENT BACKGROUND

1. I am a Special Agent with the Federal Bureau of Investigation (“FBI”) and have been employed as such since April 2023. I am currently assigned to the FBI Houston Division Field Office as part of the Violent Crimes Task Force (VCTF).

2. I have investigated numerous allegations of cybercrime and violent crime, including investigations of violations of the Racketeer Influenced and Corrupt Organizations (RICO) laws, drug trafficking, and violations of federal firearms law, among other things. I have conducted and participated in surveillance, the execution of search warrants, debriefings of confidential human sources and reviews of recorded conversations. I have been involved in dozens of investigations regarding the distribution of controlled substances. During those investigations, I have spoken to other experienced law enforcement officers, witnesses, and participants in the illegal drug trade. Through this experience, I have become familiar with how drugs are trafficked, particularly in the Houston area. I have also received training in the identification of drugs.

3. Prior to joining the FBI, I was a police officer with the Houston Police Department (HPD) and had six years of local law enforcement experience. Upon joining HPD, I received approximately 26 weeks of training at the HPD Academy in Houston, Texas. This training covered a broad range of subjects that grounded me in the fundamentals of law, ethics, behavioral science, interviewing and interrogation techniques, report writing, basic and advanced investigative and intelligence techniques, and forensic science. During my time at HPD, I received training in identifying narcotics and worked a variety of investigations pertaining to narcotics through arrests, and proactive and reactive patrols. I also have experience with federal narcotics cases, including working jointly with the U.S. Attorney's Office to file federal complaints and indictments.

4. I make this affidavit in support of an application under Rule 41 of the Federal Rules of Criminal Procedure for a warrant to search the following vehicle: **A WHITE FORD TRANSIT – CARGO VAN BEARING VIN: 1FTYE9ZM7KKA60539 AND TEXAS LICENSE PLATE #RTM4358** (hereafter referred to as “**TARGET VEHICLE**”).

5. I am an investigative or law enforcement officer of the United States within the meaning of 18 U.S.C. § 2510(7). As such, I am empowered to conduct investigations of, and to make arrests for, offenses enumerated in 18 U.S.C. § 2516. This affidavit is intended to show only that there is sufficient probable cause for the requested warrant and does not set forth all of my knowledge about this matter. I am an “investigative or law enforcement officer” within the meaning of 18 U.S.C. § 2510; that is, an officer of the United States of America who is empowered to investigate and make arrests for offenses alleged in this warrant.

6. Because this Affidavit is being submitted for the limited purpose of securing a search warrant, I have not included each and every fact known to me concerning this investigation. I have set forth only those facts that I believe are necessary to establish probable cause that the offenses of

Distribution, Manufacturing, or Possession with Intent to Distribute a Controlled Substance, in violation of 21 U.S.C. § 841(a)(1), and Simple Possession of a Controlled Substance, in violation of 21 U.S.C. § 844, have been committed, and searches of the **TARGET VEHICLE** will yield evidence of the crimes committed, and violations of drug offenses. Where statements of others are set forth in this Affidavit, they are set forth in substance and in part.

BACKGROUND

7. On July 7, 2026, at approximately 6:45 A.M., officers of the Department of Homeland Security, Immigration and Customs Enforcement (“ICE”), were conducting an immigration enforcement operation, during which they attempted to stop the **TARGET VEHICLE**. The **TARGET VEHICLE** refused to stop and instead drove over a median in an apparent attempt to flee. Pursuant to ICE policy, the officers did not pursue the vehicle. The officers relocated the vehicle in the 6800 block of Canal Street, Houston, Texas 77011, which is located in the Southern District of Texas. After doing so, the officers again attempted to stop the vehicle.

8. From conversations with other law enforcement officers and Agents, AFFIANT learned that an ICE officer shot the driver of the **TARGET VEHICLE** during this immigration enforcement operation, resulting in the death of the driver.

9. The United States is currently gathering all facts related to this incident, including what may have caused the occupants of the vehicle to flee.

PROBABLE CAUSE

10. Upon arrival at the scene, AFFIANT learned there were four occupants in the **TARGET VEHICLE**, including the deceased driver.

11. While staying outside of it, AFFIANT inspected the vehicle and observed in plain view several plastic bags with what appeared to be a white crystal-like substance packaged in small plastic bags.

12. Specifically, AFFIANT observed three plastic bags containing a white crystal-like substance in the middle of the dash between the driver and passenger side of the vehicle.

13. Additionally, AFFIANT observed a small plastic bag with a white crystal-like substance on the passenger floorboard.

14. FBI's Evidence Response Team subsequently arrived on the scene and from the outside of vehicle, took photos of the vehicle's interior. Law enforcement has not yet entered or searched the vehicle.

Photos of the two sets of bags are below:

15. Based on the AFFIANT'S training and experience, the AFFIANT believes the white in color crystal-like substances packaged in small clear plastic bags are consistent with how users of drugs package controlled substances for distribution, manufacturing, and possession. The packaging and appearance of the controlled substance in the **TARGET VEHICLE** is consistent with methamphetamine, a Schedule II controlled substance.

CONCLUSION

16. Under the Fourth Amendment, the FBI would be authorized to conduct an inventory search of the vehicle, pursuant to FBI policy and its community caretaking responsibilities. *See South Dakota v. Opperman*, 428 U.S. 364, 366 (1976); *United States v. McKinnon*, 681 F.3d 203, 208-10 (5th Cir. 2012). In addition, when as here agents have probable cause to believe that a vehicle contains contraband, the automobile exception allows them to search the car and all containers inside it, including the trunk. *See generally Carroll v. United States*, 267 U.S. 132, 156 (1925); *United States v. Riojas*, 139 F.4th 465, 474 (5th Cir. 2025) (internal citations omitted); *United States v. Freeman*, 914 F.3d 337, 342 (5th Cir. 2019). Nevertheless, the United States is seeking this warrant in abundance of caution, to make certain that its actions comport with constitutional and statutory law. As a result, and based on the foregoing facts, your AFFIANT respectfully requests that the Court issue the proposed search warrant. There is probable cause to believe that the federal criminal statutes cited herein have been violated, and that evidence of these offenses, more fully described in Attachment B of this Application, are located in the **TARGET VEHICLE**, described further in Attachment A of this Application. Your AFFIANT respectfully requests that this Court issue a search warrant for **TARGET VEHICLE**, authorizing the seizure and search of the items described in Attachments B.

[REST OF PAGE LEFT INTENTIONALLY BLANK]

17. I declare under penalty of perjury that the statements above are true to the best of my knowledge, information, and belief.

Respectfully submitted,

David McNeilly
Special Agent
Federal Bureau of Investigation

Subscribed and sworn to telephonically on this, the 14th day of July 2026, and I find probable cause exists.

UNITED STATES MAGISTRATE JUDGE
SOUTHERN DISTRICT OF TEXAS
