All of us at Jellico Monument Company are excited, and honored, to have received the "Readers' Choice Award" by the vote of the readers of the Times Tribune for the "Best Monument Company" in the Tri-County Region. We truly appreciate the trust and confidence that you - the people of Southeast Kentucky and East Tennessee - have placed in Jellico Monument Company since its founding in 1902.

We are very proud to be the oldest, and most experienced, monument company in the region. Those of us at Jellico Monument Company have seen many changes during our 119 years in business. Technological and mechanical advancements have made it possible to do things that were practically impossible 100 years ago; however, some things will never change at Jellico Monument Company - our pursuit of providing the best artisanship, best selection, best service, and best price in the region.

When considering the purchase of a pre-need or at-need monument, please consider Jellico Monument Company where we will most likely be familiar with your cemetery, your community, and your family. We believe that you, and your family, deserve the best.

Also, keep in mind that we are offering free pet markers for the beloved furry members of your family. Please call us at (606) 786 -6535, or stop by our location at 11201 South Highway 25-W, for more details.

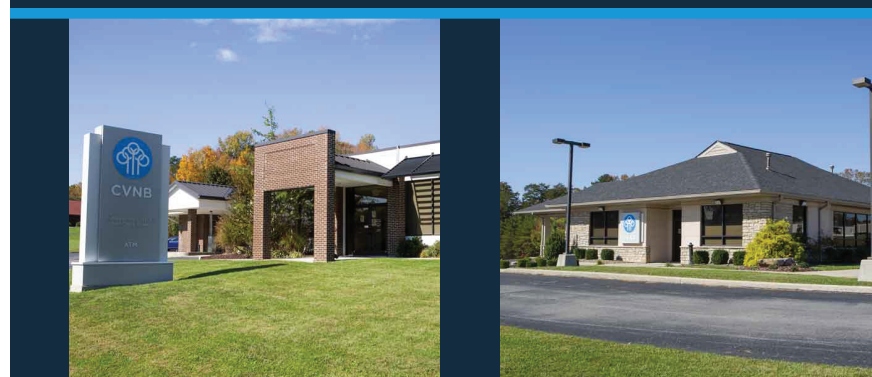

*Again,  
Thank- You!*
