## Young's Carpet One

Once again... thank you Nevada County for voting Youngs Carpet One and Sierra Tile & Stone "BEST Of Nevada County" for 2022! What an absolute honor it is! Our family has been serving Nevada County since 1972, 51 years, WOW! In that time we've done jobs from Indonesia to Hawaii... the California State Capital to Olympic Valley Ski Lodge... Nevada County schools and hospitals, as well as surrounding counties, and many of your homes and businesses. We obviously couldn't do it without you or our amazing teams. There are a lot of great people we would like to acknowledge and thank within our sales, accounting, installation, management, and warehouse crews!

As the second generation to own and operate this business, it has left us with rather large shoes to fill. This transition has been very smooth largely due to the awesome team we have. The employees at Youngs Carpet One work

together like a high-performance machine... having lots of fun along the way!

It has been six years since the second generation has taken over full ownership of the company. We owe a humongous thank you to our longtime fearless leader, Randy Young, who's goal was to create a business that felt like family and here we are 51 years later.

Come on in and...

# WELCOME

to the Best of Nevada County Publication!

**Dora Scott**  
Special Sections  
Manager

Twenty-four years ago, *The Union* started this contest to highlight our community's favorite people, places, and businesses. At the time, we had no idea how popular the contest would become and that it would last over two decades and only gain in popularity! A testament to that is how many of you took the time to vote. We thank you for your participation because that is what makes this a highly sought-after honor by local businesses and a true accounting of our community's favorites.

Every year we are humbled by the passion that our readers have for their choices of businesses, people, places, and events, and undertake the responsibility of sharing YOUR "best of" picks with great pride. We go to great lengths to make sure that your votes are counted fairly; taking

days to eliminate duplicate voters to ensure that like any election this is one person, one vote. Voting integrity is very important to us, on whatever level voting occurs. There were some upsets this year; with some winners being deposed and new favorites emerging. Congratulations to all of the new winners!

This year, we have added a handful of new subcategories to the ballot: those that cover the equestrian industry and more categories related to home services. So be sure to refer to the winners and other favorites of these new categories when in search of your next riding instructor, or if you need your chimney swept.

Alongside this publication, the Best of ballot on *The Union's* website will remain up throughout the year, now serving as an online

directory to find businesses/services across the county. So next time you are curious about who offers a breakfast menu, what hair salon to visit, who you could go to for your next oil change, and more, be sure to click on "Best of 2022" on theunion.com.

We would like to thank our readers, winners, other favorites, other contenders, and advertisers for making the Best of Nevada County possible. This is our most popular publication and it would not be possible without all of you helping to make it happen.

We hope you enjoy this year's Best of Nevada County, and that you continue to enjoy the true gold that Nevada County has to offer.

You voted, and now it's time to see who won!

**And the winners are...**

# *Citizen of the year* **WINNER** Melinda Douros

I would like to submit **Melinda Douros's** name for Citizen of the Year. Melinda lives in Grass Valley with her husband, Lou, where they raised their five children, of whom three are adopted.

She has further demonstrated her devotion to the welfare of foster children in Nevada County through her work as Program Manager of the local CASA Program.

In her role, she works closely and effectively, with Child Dependency Court, Child Welfare Services (formerly Child Protective Services), Children's Behavioral Health, Juvenile Court and the Juvenile Justice Delinquency Prevention Council, to name a few.

Her personal style exudes patience, kindness and a loving heart. She's a wonderful listener, always putting aside her mountain of paperwork to hear the needs of program volunteers. A super-empathizer, she's the perfect person to manage a small army of advocates who support foster kids, and the perfect person for Citizen of the Year.

Most Sincerely,  
Tim Collins, CASA Volunteer  
Jamie Hogenson, Deputy County Counsel for Nevada County  
Kathy Woods-Collins, CASA Volunteer  
Jane Houston, CASA Case Manager

The following names of CASAs (Court Appointed Special Advocates) have been included with their permission: Nikki Robertson, Andy Bernadette, Kirsten Valentine, Mary Reeve, Sheila Baker, Suesan Larsen, Karen Poskus, Tim Reid, and Margaret Lui

# *Citizen of the year* **NOMINEE** Brad Peceimer

If you find yourself browsing our local groups on Facebook, and you see someone needing some type of assistance, there's usually one name that will always be mentioned to come to the rescue, Brad. Brad Peceimer of Alta Sierra is a consistent, selfless, and unbelievably generous citizen of our lovely Nevada County and for those reasons I'd like to nominate him as our Citizen of the Year.

Although I have not had the pleasure of meeting him personally, he has helped my family on numerous occasions. From firewood delivery with the Senior Firewood Program, to bringing my grandpa a free wheelchair, Brad has been a great support in caring for my grandparents. The burdens he has helped ease off of multiple

families in our county is nothing but commendable. He also has put countless time and resources into restoring trailers and RVs for displaced families. Not to mention canning hundreds of jars of jam for low income and unhoused folks, car donations, airport transportation, and snake wrangling to name a few.

Brad has been an anchor for our community for as long as I have observed, and all he asks in return is to pay it forward. I hope he knows what a ripple effect he has created, and I hope everyone continues to try to #belikebrad.

Thank you,  
Jula Mansuetti

For over 160 years, the Miners Foundry Cultural Center has been the place in Nevada County to create, gather and celebrate. Now, more than ever, we need safe and welcoming spaces to share, connect and remember. Thank you to the community for their continued support!

# Tripp's Auto Body

Tripp's Auto Body – Three Generations of Quality Work and Customer Service! A family business, Tripp's has been offering full and complete collision repair for over 65 years. Originally, for over 60 years, at their Stewart Street location in Downtown Grass Valley and now at their new larger location for the past 5 years at 600 Freeman Lane. The move has allowed them to expand and better serve their customers!

Tripp's specializes in collision repair, paint match and finish. They also offer Hertz car rental services on site. Three generations of the Tripp family have had a hand in running the business.

Arle Tripp opened the auto body shop on Stewart Street in 1954. Sons David and Darrol eventually joined him; David's son Todd followed in 1988.

David Tripp retired nine years ago, after nearly five decades at the business, leaving Darrol and Todd Tripp as the co-owners of the shop. Today, Tripp's Auto

Body has about 27 employees and is officially recognized by Assured Performance, FCA, GM, Hyundai, Nissan, Ford Infinity and Subaru.

Tripp's is also recognized as a Gold Class shop, an elite designation that only

10 percent of collision repair shops have been awarded by I-Car, a nonprofit training organization founded by the collision repair industry.

To become certified and officially recognized by the various automakers, Tripp's Auto Body Shop passed a rigorous certification process essential to help ensure a proper and safe repair of the new generation of advanced vehicles.

Less than 5 percent of body shops across the nation are able to meet the stringent requirements to become officially certified and recognized.

The Tripp family is also dedicated to their community, often donating time and sponsoring many local groups including Little League, Nevada Union High School, and Bear River High School.

They make it their mission to treat people the way everyone wants to be treated, pleasantly and honestly, and their main goal is to provide unbeatable customer service and repairs.

"We are your neighbors and friends, so it is important to provide our customers with the peace of mind that their vehicles are being repaired correctly by highly trained professionals that care about them," said Darrol Tripp.

## Gold Country Kuk Sool Won

Gold Country Kuk Sool Won is owned and operated by husband and wife team, Tony and Lila Reyna. Now in its 29th year of business in Nevada County, Gold Country Kuk Sool Won is truly a family martial arts school with current students ranging in age from 3-80. Gold Country Kuk Sool Won has 400 students with over 63 active Black Belts.

Kuk Sool won is a comprehensive Korean martial art. The motto at Gold Country Kuk Sool won is: etiquette, patience and practice. We believe if you have good etiquette, are patient, and work hard then there are few things you won't be able to

accomplish in life. The success of Gold Country Kuk Sool won is from the positive family atmosphere and the mutual respect that has made an impact in our lives and in the

community as well.

In today's fast paced world many families are seeking a way to slow down and spend quality time together. There are few activities that families and couple can do together and receive the same physical and mental benefits as in Kuk Sool Won. The classes' high energy and positive atmosphere helps students reach their full potential while allowing them to progress at their own pace.

Tony began his training in Kuk Sool won while serving in the US Air Force. In 1982 he tested for his 1st degree in black belt at Kunsan, Korea. He is currently testing for his 8th degree black belt. 2023 marks Tony's 41st year in Kuk Sool.

Lila has trained in Kuk Sool Won for 27 years and is currently testing for 6th degree in black belt. She is an award-winning author and creator of Action Awareness Training, specializing in women's personal safety and empowerment.

## Maria's Mexican Restaurant

Maria Byers-Ramos remembers gathering around an old, white enamel stove and oven as her mother gave Maria and her sister their first cooking lessons. At age 10, Maria learned how to make fresh salsa, bake delicacies, stuff a turkey, and sauté vegetables the traditional Mexican way. She marveled at her mother's quick, agile hands as she diced vegetables and carved meat. Maria admired the artistic flair with which her mother combined seemingly distant ingredients to create fantastical flavors. "My mom was a good cook who was dedicated to family," recalls Maria. Throughout her life, Maria has equated delicious, healthy, homemade food with love, comfort, and caring. Her impressive culinary abilities, coupled with her personal drive to always do the right thing, have made this dynamic woman the most successful restaurateur in downtown Grass Valley. Born and raised in Sacramento, Maria spent her youth picking tomatoes under the hot sun and culling green or rotten tomatoes from the harvester. The work was manual, but the lessons she learned were intellectual. As she envisioned a future career with cooking at its core, it was obvious to Maria that great food starts with great ingredients. Maria attributes much of her success to the loyalty of her employees, many of whom have worked with her for decades. "I'm so grateful to have such good people in my life," she said thankfully. Maria maintains an open-door policy with her staff and provides firm, fair, consistent leadership. It's a fast-paced business in which every tiny detail is important. "My ultimate desire is to serve good quality food, offer great service, and leave people

satisfied," said Maria. "Everything is made from scratch, the way my mom cooked." For Maria, making people happy, giving back to her community, and serving great meals begins and ends in the kitchen. "I'll never stop cooking. At my age, you'd think I wouldn't want to keep cooking. But just the other day I went out to the garden, picked tomatillos, and made four batches of salsa. I never want to get my hands off the pot."

## Pawnie's Home Care

Pawnie's Home Care is a professional Home Care Organization built by two local caregivers that are passionate about the quality of care they believe everyone aging in place deserves. Pawnie's strives to create a team that backs not only our clients and their families, but each other as well. This vision has been held by Founders Kristen Bardwell and Melissa Jamison since they first started caring for Nevada County's senior community decades ago. Together, Kristen and Melissa have spent years perfecting their team building and caregiving skills to bring high quality home care to our senior and disabled community. Their goal in building Pawnie's Home Care was to create a quality focused company that could offer a very personal and custom approach to care.

We are so deeply honored to be Voted The Best Of In-Home Care Nevada County!! We want to thank this wonderful community and our amazing clients that we have been so blessed to serve. Above all we want to thank our selfless Team of Caregivers that always go above and

beyond to provide our clients with the best care possible!!

We look forward to many more years serving this community! If you or your loved one wish to age in place, in the comfort of your own home in beautiful Nevada County, contact us for the Home Care You Expect and Deserve!!

# Incredible Pets

Here at Incredible Pets, we are passionate about helping you find the right food and supplies to fit your pet's needs and your family's budget. Our priority is to guide shoppers to the products that are best for their pet, not the ones that are the trendiest or most expensive.

Incredible Pets is a family-owned business and has been serving the community since 1995. Our team is committed to learning the latest about pet care,

products and nutrition so we can provide expert advice you can trust.

In this era of e-commerce and big box stores, the Incredible Pets team strives every day to demonstrate the value of an independent, local family business that puts customers first.
