PERSON of the YEAR WINNER

BRAD PECEIMER

Brad Peceimer is the “Best of” Person of the Year for 2025. While he is best known for matching donors of RV’s and vehicles with those in need of housing or transportation, you are just as likely to catch Brad clearing defensible space at a senior’s home, splitting, and donating firewood, replacing a water heater, or any variety of home improvement projects. The list of free services he is willing to provide to those in need seems endless.

While many among us may see a need to help others and do nothing, Peceimer is a person of action. This propensity to step in and solve issues appears to have come naturally, “I saw there was a need. I had the skillset, so. . .” said Peceimer, trailing off.

Having built a unique home of his own in Alta Sierra,

the man has a seemingly endless set of skills and connections. Peceimer has always been the kind of person to lend a helping hand.

About ten years ago, Brad came into possession of several abandoned trailers at around the same time he found himself aware of people sleeping in their cars in local shopping parking lots, including coming upon a family living in their car with two small children. He said, “I started figuring out how to get those people situated.”

Just last week he donated his 207th vehicle to someone in need and has supplied 370 RV’s, assisting in getting people off the streets and mobile.

Peceimer has been assisting those in need of a hand up through primarily his own efforts, friends and the power of word of mouth. Using social media to look for those wanting to donate and taking in anywhere from 30–70 requests a day, Brad does not see the need for what he does going away. “Sometimes I can help. Sometimes I can’t help, and sometimes, it is overwhelming.”

Based on the number of families and individuals he helps each year, one might assume Peceimer is retired, but he still works full time and then spends his evenings and weekends working as a good Samaritan

“I saw there was a need. I had the skill set, so. . .”

—Brad Peceimer

Brad Peceimer

“on the side.” The work is demanding and never ending, and Brad said he has had to set a boundary, taking Friday evenings off in part for self-preservation but mostly he admits, because he likes to spend time with his wife!

As he ages and is slowing down a bit, Peceimer said he realized he needed a plan to keep this work going long

after he is gone. With that in mind, he and a couple of friends are just starting to set up a succession plan so the connections will continue long after he is no longer able to do the physical work. “Gold Country Guardians” is a new nonprofit being set up and is focused on neighbors helping neighbors.

Peceimer concluded, “I have a Buddhist-based business and my perspective is, you can always make the world a better place.”

“Sometimes I can help. Sometimes I can’t help, and sometimes, it is overwhelming.”

—Brad Peceimer

Voted Best Attorney

THE LAW OFFICES OF
GABRIEL LENHART

Grateful to Serve the Community That Raised Me

Honored to be voted Nevada County's Best Attorney for the third consecutive year

I am deeply honored and sincerely grateful to have been recognized as **Nevada County's Best Attorney** for the third year in a row in the annual Best of Nevada County awards. To my clients, friends, colleagues, and neighbors who took the time to vote and support my practice—thank you. Your trust and confidence mean more to me than I can adequately express.

Nevada County is more than simply the place where I practice law, it is home in the truest sense of the word. I grew up here, surrounded by the forests, rivers, and the strong sense of community that make this area so unique. Like many who were fortunate enough to be raised here, I left for a time to pursue my education and begin my career, but I always knew that I hoped to return one day.

Being able to come back, raise my own family here, and build my law practice in the community that helped shape who I am has been one of the greatest privileges of my life. Each day I have the opportunity to work with families in this community; helping them plan for the future, protect what they have worked so hard to build, and navigate important life transitions. It is work that I take seriously and feel deeply honored to do.

Nevada County is a place where people still look out for one another, where relationships matter, and where community remains something deeply personal. It is an incredible place to grow up, an even better place to raise a family, and a privilege to serve the people who live here.

To everyone who voted, to every client who has placed their trust in me, and to this remarkable community that raised me and welcomed me back—thank you. I am proud to call Nevada County home and grateful every day for the opportunity to serve this community.

- Gabriel Lenhart, The Law Offices of Gabriel Lenhart, Inc.

MARIA'S MEXICAN RESTAURANT

As we celebrate 34 wonderful years of Maria's Mexican Restaurant, I want to take a moment to express my heartfelt gratitude to all of you in our community. Without your support, love, and loyalty, we would not be the success we are today.

When I opened the doors of Maria's in 1992, my dream was to create a place where families and friends could come together over delicious, homemade Mexican food. Every dish we serve is crafted from scratch, made with love and care, because I believe that good food should nourish both the body and the soul. It has always been my ultimate desire to provide not just great meals, but also a warm and welcoming atmosphere where memories are made, stories are shared, and laughter fills the air.

Through the challenges of the past few years, I've been especially grateful for our dedicated staff.

I truly appreciate our team who has stood by us during those tough times, their resilience and commitment have kept us going. I'm equally thankful for the new staff members who have joined our family, bringing fresh energy and enthusiasm into the restaurant. Together, they have created an

environment that reflects the heart and soul of our vision.

As I reflect on the past 34 years, I am filled with gratitude for each of you who has walked through our doors. Your support has meant the world to me and my family, and it inspires us to keep going, to keep serving, and to keep creating delicious memories together. Thank you for being a part of our journey. Here's to many more years, we couldn't have done it without you!

I grew up in northern California, split between the Bay Area, Grass Valley and Lake Tahoe, most of my time being in South Lake Tahoe. I am proud to have the opportunity to help those in my hometown reach their financial goals. My bond with my hometown community is important to me.

I am very active in my community. I am on the board of directors for Penn Valley Chamber of Commerce. I am also involved in my son's youth activities throughout Nevada County. I have a large, extended family in Nevada County and spend a lot of my evenings supporting my nieces and nephews at Nevada Union. You can find me and my family spending our weekends volunteering at community events or hiding out fishing and hiking at our beautiful lakes. I am blessed to be a part of this community.

Before coming to Edward Jones, I worked as a business specialist for Wells Fargo Bank, the last six years of which were spent in Grass Valley, CA. It was important to me when moving to Edward Jones that I would be able to continue to work with my local business clients.

I have a major passion for the small business world and want to help our local businesses strive in this community. I come from a family of self-starters who did not have anyone to help them navigate their financial plans, goals and questions. Therefore, I have started building my own business with Edward Jones. I would love to help any of my local businesses and residents in their financial needs. If you have any questions or concerns, please do not hesitate to reach out. I would love the opportunity to meet you.

SPORTS COACH of the YEAR WINNER

ELIZABETH AEKUS
NU LADY MINERS
VARSITY BASKETBALL

This is my first year coaching at Nevada Union. I have been coaching a variety of sports and age groups for about 10 years now. There is so much to love about coaching, but my favorite part about coaching is building authentic relationships and watching my student-athletes grow. While basketball brings us together, it's really the life lessons that matter most. Our program is built on "We NOT Me", emphasizing teamwork, selflessness, and lifting each other up. We also focus on developing grit, grace, and a commit-

TEACHER of the YEAR WINNER

CLAIRE DAVIES

UNION HILL SCHOOL

This is my fifth year at Union Hill and my 14th year teaching. My favorite part about teaching is the opportunity to work with a new group of students each year and witness their growth, learning, and resilience in the face of challenges. Building meaningful relationships with my students is something I truly cherish. I began my teaching career in kindergarten before transitioning to 8th grade nine years ago and it has since become my favorite grade to teach. There is something incredibly rewarding about watching

Claire Davies

students mature from wide-eyed sixth graders down the hall into confident young people preparing for high school who have learned so much from their time here.
