

Our newest dermatology provider is home-grown.

Oregon native Megan Smith grew up outside Roseburg on her family's ranch, graduated from Oregon State, and has spent the last several months honing her dermatology skills right here in Coos Bay. She has been specifically trained to diagnose and treat conditions of the skin, hair and nails by Board Certified Dermatologist Dr. Ed Maeyens, and is now accepting new patients.

Megan Smith, PA-C
Dermatology-trained Physician Assistant

Appointments, 541.267.7543
375 Park Avenue, Suite 5, Coos Bay
