## Success Story

A new patient wrote about her experience with her deep cleaning, comparing it to another office in the past. She said, "First of all, I would like to thank Dr. Strong and her great staff for making my experience coming in the office not a scary one. I have had two deep cleanings in the past, so when I heard I needed a deep cleaning, I was not happy. I agreed, and to my surprise, it didn't hurt. I had no headaches or throbbing and my BFF (the hygienist, Claudia) did such a great job.

Also, I've had two extractions and new teeth. It brought a tear to see myself looking so much better. It was worth it!

Again, I can't thank everyone enough for everything they have done for me.
