### Did you know?

Did you know that without saliva you cannot taste food?

**It's true!** Saliva is necessary for tasting. It carries dissolved flavor molecules in food to receptors on taste buds, which send flavor signals to the brain. Saliva also contains substances which eliminate viruses, bacteria and fungi from the mouth.

# March 6 First Tuesday Talk features fashion

COOS BAY - The March First Tuesday Talk will begin at 6:30 p.m. March 6 at the Coos History Museum. Guest speaker Kay Demlow, who is a designer, dressmaker and fashion historian, will give a presentation called "From the Skin Out: What They Were Wearing Underneath."

Demlow is the owner, designer and dressmaker of Lavender's Green Historic Clothing, a home-based

business in Hillsboro. The business began with a love of the craft of fine sewing and a deep appreciation of historic preservation. Demlow has created authentic reproduction clothing for historic sites, pageants, Oregon Trail wagon train travelers, media productions, theaters and living history reenactments. She creates and presents interpretive programs and fashion shows.

Demlow is active in local and national historical groups. She not only studies and sews historic clothes, she wears them at historic events throughout the year. Tuesday Talks are free to Coos History Museum members and free with a paid admission of \$7. The museum is located at 1210 N Front St. on the waterfront of Coos Bay. For more information visit [www.cooshistory.org](http://www.cooshistory.org).

# Bite of Bandon coming March 3

BANDON - Join the Bandon Community Youth Center for a "bite on the town" at the annual Bite of Bandon culinary showcase and auction, from 6-9 p.m. Saturday, March 3, at The Barn/Bandon Community Center, 1200 11th St. SW.

The Bite of Bandon is the Youth Center's major annual over 21 fundraising event, showcasing the best "bites" from 15-18 local and regional restaurants during the event's silent and live auctions. The auctions feature generous donations from local, regional and national busi-

nesses and organizations, ranging from items from local shops, certificates to city utilities, to gift certificates to Disney park hopper passes and more.

Tickets are available at Bandon Ace Hardware and Bandon Mercantile for \$35 each. Tables of eight are available for \$250 by contacting the Youth Center directly.

All proceeds benefit the Bandon Community Youth Center, a 501c3 nonprofit youth organization.

Founded in 1998, the Bandon Community Youth Center mission statement

was updated in 2014, "To provide opportunities for youth and families to learn, grow, and experience success."

Board meetings are held monthly, generally the second Tuesday of the month at 5:30 p.m., and are open to the public. For more information about programs, joining the board of directors, the program assessment committee, becoming a community partner, or for Bite of Bandon table sales, contact the Youth Center at 541-347-8336 or by email: [bandonyouth@gmail.com](mailto:bandonyouth@gmail.com).

# Free showing of film ‘Mending the Line’ at Bandon library

BANDON - Everyone is welcome to attend a free showing of the film “Mending the Line,” at 6 p.m., Wednesday, Feb. 28, at the Bandon Public Library Sprague Room, 1204 11th St. SW.

The free showing is co-hosted by the Coquille Watershed Association and the Wild Rivers Land Trust. “Mending the Line” is a beautiful story of a World War II veteran, conservationist and Oregon fly-fishing legend who returns to Normandy, France to see the country during peaceful times and fish the rivers he had seen during the war.

According to Coquille Watershed Association board member Tom Jefferson, the film is a “gentle, loving, sensitive story of a man who fought at Normandy and 69 years later returned, for the healing, and for the completion of his story. It’s a film that speaks of the healing that rivers offer us.

He and his wife owned the Steamboat Springs Resort on the North Umpqua and have been part of the efforts there to sustain the salmon in that river, which is consistent with our work here on the coast and in the Coquille watershed.”

## First Baptist Church is Red Cross blood drive partner

BANDON - The American Red Cross has been working hard to find new locations for regular blood drives on the Oregon Coast. Every two seconds, someone in the United States needs a transfusion of blood, and with less than 10 percent of eligible donors actually donating blood currently, there is a crisis-level shortage of blood in the U.S.

That’s why when area Red Cross coordinator, Patti McCollum, reached out to Pastor Greg Fodrea at First Baptist Church of Bandon as a potential blood drive host, the small Bandon church opened the doors to its auxiliary building and started spreading the word.

After three relatively successful drives, each larger than the last, First Baptist Church has

now been deemed a successful blood drive partner. The historic church will host Red Cross blood drives every other month, with the next drive happening from 11 a.m.-4 p.m. Friday, March 9. Signing up is simple and can be accomplished by calling the church at 541-347-2273 or by contacting the Red Cross directly at 1-800-RED-CROSS or on their website at [www.RedCrossBlood.org](http://www.RedCrossBlood.org).

“Hosting community blood drives is an excellent opportunity for us to help people in Bandon make a difference in people’s lives,” Fodrea said. “Being selected as a permanent Red Cross donation site fits perfectly with our church’s mission to minister to all people, at home and around the world.”

Publisher reserves the right to refuse or edit any advertisement. All advertising must be in accordance with Oregon laws and in good taste. SOPC reserves the right to reject advertising at its discretion. All unclassified ads are cash with copy. Credit and billing are available to commercial accounts with established credit. For Saturday, 10:00am on Friday and Monday 11:30am on Friday. There is a \$1 non-optional charge for publication on mobile devices.

# Relay for Life Chili Cook-off is March 3

BANDON - Everyone is welcome to attend a super hero cancer-fighting Relay for Life Coos County Chili Cook-off event from 4-7 p.m. Saturday, March 3, at the Restoration Worship Center International, located at 89 North Ave. NE, in Bandon. There will also be a dessert auction and other activities. But, most importantly, come, enjoy and pick a favorite chili.

Admission is by a suggested donation of \$5 per person. Each person will receive a taste of every chili entry and a ballot to vote, then enjoy a cup of their favorite chili,

along with cornbread and a beverage of coffee or lemonade. Come support the local Relay for Life teams and continue to help the American Cancer Society find a cure.

All chili must be prepared on site. Those who wish to compete in the chili cook-off can contact Tammy at 541-260-2273. There is a suggested entry fee of \$25 for each cook. Fees will be donated to the American Cancer Society.

For more general event information, visit Relay for Life Coos County's Facebook page or call the above number.

# Applicants sought for Cranberry Festival Court

BANDON - All high school junior boys and girls at Bandon High School, Pacific High School or homeschooled students are invited to apply to the Bandon Cranberry Festival Court for this year's festival, which will be held Sept. 7, 8 and 9.

Former court director Mary Carol Roberson said she is so pleased to have two former Cranberry Festival princesses agree to act as co-chairwomen for this year's Cranberry Festival Court. They are Megan Fraser and Mackenzie Basey.

"They have a great deal of enthusiasm

and are very excited about doing things to make it special, such as coming up with ideas for new scholarship opportunities and getting people their age and younger to work with them so it is a fun time for everyone involved," Roberson said. "It's a great opportunity to be an ambassador of Bandon and be involved in your community."

Applications are available at the BHS office. For more information, contact Fraser at 541-740-2300 or Basey at 541-260-3480.
