## Did you know?

Did you know that a fractured tooth may be completely painless, but cause very serious infection, bone loss and even the loss of the tooth?

It's true! Tiny cracks in a tooth are perfect routes for bacteria to get into the bone, where they multiply and erode bone tissue. If you notice a small bump in your gum, in the area of a tooth root, get it checked as early as possible! You may be saving your tooth and health.

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Dentistry with a difference!

# Free showing of film 'Mending the Line' at Bandon library

BANDON - Everyone is welcome to attend a free showing of the film "Mending the Line," at 6 p.m., Wednesday, Feb. 28, at the Bandon Public Library Sprague Room, 1204 11th St. SW.

The free showing is co-hosted by the Coquille Watershed Association and the Wild Rivers Land Trust. "Mending the Line" is a beautiful story of a World War II veteran, conservationist and Oregon fly-fishing legend who returns to Normandy, France to see the country during peaceful times and fish the rivers he had seen during the war.

According to Coquille Watershed Association board member Tom Jefferson, the film is a "gentle, loving, sensitive story of a man who fought at Normandy and 69 years later returned, for the healing, and for the completion of his story. It's a film that speaks of the healing that rivers offer us.

He and his wife owned the Steamboat Springs Resort on the North Umpqua and have been part of the efforts there to sustain the salmon in that river, which is consistent with our work here on the coast and in the Coquille watershed."

# Applicants sought for Cranberry Festival Court

Former court director Mary Carol Roberson said she is so pleased to have two former Cranberry Festival princesses agree to act as co-chairwomen for this year's Cranberry Festival Court. They are Megan Fraser and Mackenzie Basey.

"They have a great deal of enthusiasm

and are very excited about doing things to make it special, such as coming up with ideas for new scholarship opportunities and getting people their age and younger to work with them so it is a fun time for everyone involved," Roberson said. "It's a great opportunity to be an ambassador of Bandon and be involved in your community."

Applications are available at the BHS office. For more information, contact Fraser at 541-740-2300 or Basey at 541-260-3480.
