# BRUSH AND YARD DEBRIS PICK-UP SET TO BEGIN JUNE 8

**BANDON** — The second brush and yard debris removal event of 2020 will start on Monday, June 8. Bandon Disposal will be picking up piles of brush and yard debris. City residents are allowed approximately two pickup loads of brush and yard debris at no cost. Please note that the pick-up begins on June 8, but it may take several weeks for Bandon Disposal to pick up in every area of town. The City of Bandon thanks its residents for their patience. Due to the increase in participation, and to make it more efficient for everyone, the city asks everyone to follow some guidelines:

- Simply place your brush and yard debris in the right-of-way alongside the street adjacent to your house **PRIOR TO** Monday, June 8.
- Do **NOT** put out your yard waste more than one week (June 1) before scheduled pick-up date.
- The maximum allowed is approximately two pickup loads.
- Anything more than two pickup loads will not be picked up and will be the homeowner's responsibility to get it removed.
- No items longer than 5 feet in length will be picked up.
- Limit to one pile per address, multiple piles will not be picked up and will be the homeowner's responsibility to get it removed
- Limit your items to woody yard debris such as branches,

brush, gorse, etc.

- Grass clippings and leaves will also be picked up, provided they are placed in biodegradable paper bags, no plastic bags will be accepted
  - Other items and materials, such as metals, appliance, furniture, household garbage, etc. will not be picked up and will be the homeowner's responsibility to get it removed.
  - Avoid placing your pile under overhead utility lines or overhanging trees, since a boom truck is used to pick up debris.
  - Locate your pile away from fire hydrants and utility boxes, and do not impede sidewalks or pedestrian walkways
- If you get missed or have more than the two pickup loads, please contact Bandon Disposal at 541-347-9633 to get a price quote and schedule a special pick-up, at a later date. A total of three brush and yard debris removal events are held each year. This is the second event for 2020. If you

have more than two pickup loads of debris, or if you want debris picked up at times other than the three brush removal weeks, please contact Bandon Disposal at 541-347-9633 for a price quote.

## VOLUNTEERS NEEDED

**BANDON** — The City of Bandon is accepting applications for standing committees, commissions and board volunteers:

Budget Committee, Library Board, Parks and Recreation Commission, Planning Commission and Utilities Commission

If you are interested in serving as a member on one or more of these commissions, committees or boards, please submit an application (with resume) to Beth Hager at City Hall. To apply, please pick up an application at City Hall or click **APPLICATION** on the city's website [www.ci.bandon.or.us](http://www.ci.bandon.or.us) to fill it out online.

### **DO YOU WANT TO CONGRATULATE THE BANDON HIGH SCHOOL GRADUATING SENIORS?**

The Bandon Western World will publish a photo page of the BHS graduates on June 4th, with 1x3 ads surrounding the photos.

The ads will be \$35, and will include your business name, logo, contact information, and you may include a congratulatory message to either the whole class or an individual graduate.

The deadline is 5 p.m., May 22nd.

**Please contact Sandy 541-347-2423, ext. 301,

# SUPPORT BANDON'S FOOD ASSISTANCE NONPROFITS

BANDON -- Bandon Feeds the Hungry is accepting donations for Bandon's food assistance organizations. Drop off canned or dry food items in front of Farm & Sea in the Old Town Marketplace parking lot at 250 First Street SW in Bandon. You can also drop off a check or cash in the Farm & Sea shop or mail checks to Bandon Feeds the Hungry at P.O. Box 566, Bandon, OR 97411. All monetary donations are tax-deductible.

Thanks to Margaret Pounder, CEO of the Bandon Chamber of Commerce for the idea and helping organize this effort, to Lori Osborne of Farm & Sea for staffing and the use of the tote to collect donations and to the Port of Bandon for use of the parking lot and other assistance!

Farm & Sea will be accepting donations 7 days a week during their hours of operation (Monday through Saturday, 10 a.m.-6 p.m. and Sunday, 10 a.m.-3 p.m.) The donations box was initially open for drop-offs every Tuesday and Wednesday morning, but the first two days of food collections were so successful that the program has been expanded and donations are now accepted daily.

Bandon Feeds the Hungry will be distributing 100 per-

cent of all food and monetary donations to the participating 501c3 nonprofit food assistance organizations in Bandon, including: Coastal Harvest, E.A.T., Good Neighbors Food Bank, Senior Nutrition (Senior Meals and Meals on Wheels), and Restoration Worship Center Food Pantry.

"The Bandon community has been so very generous with both food and monetary donations," said Bandon Feeds the Hungry president Amy Moss Strong. "Margaret Pounder, Lori Osborne and the Port of Bandon have all donated their time to make this effort successful. The food assistance program volunteers continue to do their good work, putting in more hours than ever to help get food into people's homes. It's heartwarming to see our community come together to help others in this time of great need. We thank you all for your generosity."

No proof of income is required. Anyone needing assistance between distributions can call Larry Roberts at 541-347-8406.

# BANDON LIBRARY NOW OFFERING MAIL SERVICE

BANDON — The Bandon Public Library is an active hub of the community, but since March 17, its doors have been closed due to the coronavirus pandemic. Bandon Library Director Jennifer Croft wanted to provide library services while people are trying to stay safe at home. How could the library get books, CDs, and DVDs back into the hands of patrons? Mail them! Croft contacted the Bandon Library Friends & Foundation to see if it could help. This has now become the "Keep Bandon Reading" program. "We at the library are grateful to the BLFF for this additional financial support," Croft said. "It will help bring back some of our services and, at the same time, make it easier for our patrons to stay safe

during the 'stay home' order. The pandemic has turned the world upside down for everyone. Libraries all over the nation, including ours, have been forced to close their doors in order to help contain the spread of COVID-19." Bandon library patrons can request mail service by putting items on hold using the online catalog at [coastlinelibrarynetwork.org](http://coastlinelibrarynetwork.org) or by calling the Bandon Public Library at 541-347-3221 during regular open hours (Tuesdays, Wednesdays, Thursdays from 10 a.m.-7 p.m. and Fridays and Saturdays from 10 a.m.-5 p.m.). Items should be returned in the book drop. Remember that the library is now fine-free. Both postage and packaging will be provided by the BLFF.

# GOLF FOR HEALTH POSTPONED

BANDON — In light of the current COVID-19 crisis, the Southern Coos Health Foundation Board of Directors has decided to postpone its largest fundraiser for the Southern Coos Hospital & Health Center, the Golf for Health Classic.

This year, the 13th annual golf tournament was set to be held at Bandon Crossings on May 29 and 30.

"Perhaps the biggest reason to postpone is to ensure the safety of our community," said Scott McEachern, executive director of the Southern Coos Health Foundation and the hospital's chief information officer. "As of April 28, there are 15 documented cases of COVID-19 in Coos County, all at Shutter Creek Correctional Institution. While there have been no cases in Bandon yet, all data points to a situation where our community will experience cases of COVID-19 at some point in the near future."

# SOUTHERN COOS HEALTH DISTRICT SEEKS BOARD APPLICANTS

BANDON — Applicants are being sought to serve on the Southern Coos Health District Board of Directors.

Southern Coos Health District is a municipal corporation of the State of Oregon which is organized, existing and exercising the powers and functions of a health district under Oregon laws relating to municipal corporations, special districts and health districts.

The District Board bears ultimate responsibility for the quality of care rendered to patients by both the medical and professional staff,

as well as responsibility for the financial soundness and success of the organization, and for strategically planning its future.

Applicants must reside within the Southern Coos Health District. Applicants should submit a current CV and letter of interest by May 21, 2020 to: Kim Russell, Southern Coos Hospital and Health Center, 900 11th Street SE, Bandon, OR 97411, fax 541-347-0507 or email to [krussell@southern-coos.org](mailto:krussell@southern-coos.org)

## HUNTING, FISHING REOPEN TO NON-RESIDENTS

OREGON - Hunting and fishing in Oregon has reopened to non-residents, but crabbing and clamming remain closed for now.

The Oregon Department of Fish and Wildlife ended its hunting and fishing closure to non-residents on Tuesday. Crabbing and clamming remain only open to in-state residents.

In a notice on the agency's web page, ODFW officials also pointed out that while most seasons remain open during the COVID-19 pandemic, many of the public access points are closed.

The Port of Bandon is open for fishing, including the launch ramp and the crabbing docks. The beaches also are open for surf fishing, though most parking areas are closed in Bandon, other than the South Jetty.

All Oregon State Parks on the coast remain closed. Coos County Parks also remain closed, but the county boat ramps are open (restrooms at the boat ramps are closed). All Bureau of Land Management campgrounds and most day-use areas and restrooms, including those on the South Coast, also remain closed.
