Donations to Southern Coos Hospital will be doubled

BANDON - The Southern Coos Health Foundation has received a matching donation for the Together for Bandon's Health year-end campaign. An anonymous donor has agreed to match all donations up to a total amount of \$30,000.

Together for Bandon's Health is a campaign that will increase the capacity of Southern Coos Hospital to serve the community. The matching contribution gives Southern Coos Health Foundation a boost as it raises funds to replace 22 IV pumps and an outdated anesthesia monitor in the operating suite.

IV pumps form the backbone of the hospital's care. With the replacement of 22 units in the emergency department, medical-surgical floor and the operating suite, Southern Coos Hospital staff will have increased confidence in the equipment they are using for patient care.

As SCHHC continues to develop health-care services for Bandon and the southern Oregon coast, it is building the infrastructure of its surgical department. The addition of a new anesthesia monitor will allow the surgery team to perform more surgeries than ever before.
