Did you know? Did you know that Dr. Thomas Welch was a dentist from Civil War days whose name is commonly known today?

It's true! In 1869 Dr. Welch founded a vineyard and the town of Vineland in south New Jersey, and began producing "unfermented wine" which became very popular. His business expanded, and his unfermented wine became what we know today as Welch's grape juice!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. With dental implants, you can now keep your smile for a lifetime! Experience Dentistry with a Difference!

Ballet Fantastique to perform in Bandon

SOUTH COAST - Ballet Fantastique's sparkling holiday tradition, "An American Christmas Carol," returns for 2017 with special performances in partnership with MarLo Dance Studio of Bandon.

Donna and Hannah Bontrager have re-imagined Charles Dickens' beloved story in iconic post-WWII America with their original choreography set to the velvet voice of international chart-topping jazz singer - and Oregon

sweetheart - Halie Loren. Retro-glam choreography fuses drama and humor as it weaves the story of penny-pinching Ebenezer Scrooge's transformative quest.

Bandon's performance will be held at 7 p.m., Friday, Dec. 8, at the Sprague Community Theater, 1202 11th St. SW. Tickets cost \$20 for adults; \$17 for children 18 and younger, in college with ID, or senior citizens. Tickets are available by calling 706-550-1416.

Presented at the invitation of MarLo Dance Studio Director Maria Merriam, the Bandon performance will include local ensemble dancers. Accelerated ballet student auditioned with Ballet Fantastique in October and selected dancers rehearsed in Bandon and Eugene and enjoyed the opportunity to perform with the company's professionals.
