Did you know?

Did you know that just plain water can help to prevent cavities and gum disease?

It's true! A tiny high pressure stream of water directed between teeth and gums can disrupt bacteria and dislodge food particles that are not reached by brushing and flossing. When used daily, it can even control periodontal disease! What a good idea for a gift!

We've come a long way! With excellent dental care from Dr. Strong, you will protect your teeth, look great, and feel even better. Ask us about implants!

Mother's NATURAL GROCERY

I would like to take the opportunity to thank our customers and those who helped out during the business transition. Your understanding during our training process is appreciated more than words can describe.

A very special thanks to the moms of Mother's, JoAnn Hubbard and Beth Castro. Your smiling faces and delicious food sustained all of us, and you are both missed. Good luck with your new ventures, and know that you are welcome in the kitchen anytime.

Thank you Robin Miller and Sean Suppes for your continued guidance and support of local businesses.

Additional thanks to Chris Butler for fixing the parking lot!

Assistance from Vicki Affatati, Mark Havill, Robin NiCathin, Cathy Underdown, Robert and Vickie Eichelberger, Ben Horton, Randy Gibson and Derrick Watgen is greatly appreciated. Your efforts make progress possible.

Our staff to date has been flexible and strong during this time. Thank you, Jeff Eikamp, Maggie Philkili and JoAnn Hamblin for being the friendly faces that we all see when entering the store. Rose Fisher, Emma Jones and Matthew Vige create a lot of delicious creations, and we all benefit from their creativity.

Your support has been a blessing and an encouragement to remain focused during this transition. You have all made it possible for Mother's to remain open, and to continue to grow. Thanks again!

# ‘Outside the Box’ to be presented June 1-3

BANDON - Six lives interconnect in surprising ways in “Outside the Box,” The Gaels Readers Theater’s new production written by local playwright Mike Dempsey.

“Outside the Box” will be performed one weekend only in the Bandon Public Library Sprague Room, 1204 11th St. SW. Performances are at 7 p.m. Friday, June 1, and Saturday, June 2, and at 2 p.m. Sunday, June 3. Admission is \$5 at the door. This production includes mature themes and language.

“These are people in very real circumstances,” said Dempsey. “Each lives in the aftermath of personal rejection and loss, surviving on humor and hope as they rediscover themselves.”

“Outside the Box” focuses on Lulu, a homeless woman being interviewed while living on the back streets of Las Vegas. She speaks about people forever “stuck” in

her memories - a beauty pageant queen, a teen runaway, a drag performer and others.

The cast includes Corrie Gant as Lulu, Cathy Underdown, Heather Bouher, Annie McGregor, Amy Moss Strong and Donald Zealand.

The Gaels bring original and lesser-known plays to life through readers theater. Reduced production costs allow admission prices to stay at \$5.

“It’s exciting to bring new works and ideas to Bandon audiences,” Dempsey noted. “The reception we’ve received has been tremendous.”

The Gaels will again partner with the Bandon Historical Society for two shows later this year - an original work about a scandalous 1920s Bandon murder, and a restaging of “Bandon Burns!” with new narratives of the 1936 Bandon fire.

## Break-ins at local parks increasing

BANDON - Bandon Police have taken numerous calls for vehicle break-ins at Coquille Point and Oregon State Police have had numerous calls of vehicle break-ins at Bullards Beach State Park.

The Bandon Police Department asks that people exercise caution and common sense by not leaving their valuables such as wallets, laptops, phones and sunglasses on open display in their parked cars. Doing so just invites thieves to smash

their way into cars.

For those who park at any local beach accesses, it's a good idea to hide anything of value in a car trunk or put items out of sight prior to parking at your destination. Keep in mind the suspect or suspects could be watching you pull up and cover up the valuables in your vehicle.

Anyone with information on the suspect or suspects in the recent break-ins are asked to call Bandon Police at 541-347-2241.

## Horne is featured artist for June

BANDON - Art by the Sea Gallery and Studio invites the public to attend a reception for member artist Janice Horne, whose art is being featured this month along with gallery members' new works. The reception will be held from 3-5 p.m. Saturday, June 2, with harp and guitar music by Robin O'Neill. Refreshments will be served.

Horne's art is based on the theme "Inner Resonance" and the work constitutes an effort to capture the mystery of dreams, spiritual motifs and personal experiences using assemblage, painting, mixed media and sculpture.

"Lighthouses and All Things Beachy" is the theme that member artists have created

new works for - an appropriate theme for the start of Bandon's summer season - and works have been created in wood, shell wreathes, jewelry, painting, drawing, gourds, photography, weavings, assemblage and replica lighthouses.

Come enjoy the art, music, refreshments and the company of folks in the local art scene.

A summer schedule for upcoming classes will be available. Check out the website or Facebook to keep up to date on the latest art happenings.

Art by the Sea Gallery and Studio is located at 145 Fillmore Ave., S.E., in Old Town Bandon and is open from 10 a.m.-5 p.m. daily through the summer months.
